NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(Unaudited)

Note 1 — The Company and Summary of Significant Accounting Policies

The Company

eBay Inc. is a global commerce leader that connects people and builds communities to create economic opportunity for all. Our technology empowers millions of buyers and sellers in more than 190 markets around the world, providing everyone the opportunity to grow and thrive. Founded in 1995 in San Jose, California, eBay is one of the world's largest and most vibrant marketplaces for discovering great value and unique selection.

When we refer to “we,” “our,” “us,” the “Company” or “eBay” in this Quarterly Report on Form 10-Q, we mean the current Delaware corporation (eBay Inc.) and its consolidated subsidiaries, unless otherwise expressly stated or the context otherwise requires.

Use of Estimates

The preparation of condensed consolidated financial statements in conformity with U.S. generally accepted accounting principles (“GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the condensed consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. On an ongoing basis, we evaluate our estimates, including those related to provisions for transaction losses, legal contingencies, income taxes, revenue recognition, stock-based compensation, investments including level 3 investments in Gmarket Global LLC (“Gmarket”), warrants and the recoverability of goodwill and intangible assets. We base our estimates on historical experience and on various other assumptions that we believe to be reasonable under the circumstances. Actual results could differ from those estimates.

Principles of Consolidation and Basis of Presentation

The accompanying financial statements are consolidated and include the financial statements of eBay Inc., our wholly and majority-owned subsidiaries and variable interest entities (“VIE”) where we are the primary beneficiary. All intercompany balances and transactions have been eliminated in consolidation. Minority interests are recorded as a noncontrolling interest. A qualitative approach is applied to assess the consolidation requirement for VIEs. Generally, investments in entities where we hold at least a 20% ownership interest and have the ability to exercise significant influence, but not control, over the investee are accounted for using the equity method of accounting, including those in which the fair value option has been elected.

For equity method investments, our share of the investees’ results of operations is included in gain (loss) on equity investments and warrant, net and investment balances are included in long-term investments. For equity investments under the fair value option, the change in fair value of the investment is included in gain (loss) on equity investments and warrant, net and investment balances are included in long-term investments, other than our equity interest in Adevinta ASA (“Adevinta”) which is included in the short-term assets section on the condensed consolidated balance sheet. Investments in entities where we hold less than a 20% ownership interest are generally accounted for as equity investments to be measured at fair value or, under an election, at cost if it does not have readily determinable fair value, in which case the carrying value would be adjusted upon the occurrence of an observable price change in an orderly transaction for identical or similar instruments or impairment.

Upon the transfer of our Classifieds business to Adevinta in 2021, shares in Adevinta were included as part of total consideration received under the definitive agreement. The equity interest in Adevinta is accounted for under the fair value option. Additionally, upon completion of the sale of 80.01% of the outstanding equity interests of eBay Korea LLC (“eBay Korea”) to Emart Inc. (“Emart”) in 2021, we retained 19.99% of the outstanding equity interests of the new entity, Gmarket, which is accounted for under the fair value option. Subsequent changes in fair value for these equity investments are included in gain (loss) on equity investments and warrant, net on our consolidated statement of income.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS—(Continued)

These condensed consolidated financial statements and accompanying notes should be read in conjunction with the audited consolidated financial statements and accompanying notes included in our Annual Report on Form 10-K for the year ended December 31, 2022. We have evaluated all subsequent events through the date these condensed consolidated financial statements were issued. In the opinion of management, these condensed consolidated financial statements reflect all adjustments, consisting only of normal recurring adjustments, which are necessary for the fair statement of the condensed consolidated financial position, results of operations and cash flows for these interim periods.

Significant Accounting Policies

There were no significant changes to our significant accounting policies disclosed in “Note 1 — The Company and Summary of Significant Accounting Policies” in our Annual Report on Form 10-K for the year ended December 31, 2022, except for our policy related to revenue recognition to reflect the expansion of promoted listing services offered to sellers beginning in the second quarter of 2023, as noted below.

Revenue Recognition

We recognize revenue when we transfer control of promised goods or services to customers in an amount that reflects the consideration to which we expect to be entitled in exchange for those goods or services. Revenue is recognized net of any taxes collected, which are subsequently remitted to governmental authorities.

Our net revenues primarily include final value fees and promoted listing fees from sellers on our platforms. Our net revenues also include store subscription and other fees often from large enterprise sellers as well revenues from the sale of advertisements and revenue sharing arrangements. Our net revenues are reduced by incentives, including discounts, coupons and rewards, provided to our customers.

We identified one performance obligation to sellers on our Marketplace platform, which is to connect buyers and sellers on our secure and trusted Marketplace platforms, including payment processing activities. Final value fees are recognized when an item is sold on a Marketplace platform, satisfying this performance obligation. Services may also be provided to sellers to promote their listings through on-site or off-site sponsored ads that are a distinct performance obligation for which revenue is recognized when (or over the period) these services are performed.

Store subscription and other nonstandard listing contracts may contain multiple performance obligations, including discounts on future services. Determining whether performance obligations should be accounted for separately or combined may require significant judgment. The transaction price is allocated to each performance obligation based on its stand-alone selling price (“SSP”). In instances where SSP is not directly observable, we generally estimate selling prices based on when they are sold to customers of a similar nature and geography. These estimates are generally based on pricing strategies, market factors, strategic objectives and observable inputs. Store subscription revenues are recognized over the subscription period, and discounts offered through store subscription or nonstandard listing contracts are recognized when the options are exercised or when the options expire.

Further, to drive traffic to our platforms, we provide incentives to buyers and sellers in various forms including discounts on fees, discounts on items sold, coupons and rewards. Evaluating whether a promotion or incentive is a payment to a customer may require significant judgment. Promotions and incentives which are consideration payable to a customer are recognized as a reduction of revenue at the later of when revenue is recognized or when we pay or promise to pay the incentive. Promotions and incentives to most buyers on our Marketplace platforms, to whom we have no performance obligation, are recognized as sales and marketing expense. In addition, we may provide credits to customers when we refund certain fees. Credits are accounted for as variable consideration at contract inception when estimating the amount of revenue to be recognized when a performance obligation is satisfied to the extent that it is probable that a significant reversal of revenue will not occur and updated as additional information becomes available.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS—(Continued)

Advertising revenue is derived principally from the sale of online advertisements which are based on “impressions” (i.e., the number of times that an advertisement appears in pages viewed by users of our platforms) or “clicks” (which are generated each time users on our platforms click through our advertisements to an advertiser’s designated website) delivered to advertisers. We use the output method and apply the practical expedient to recognize advertising revenue in the amount to which we have a right to invoice. For contracts with target advertising commitments with rebates, estimated payout is accounted for as a variable consideration to the extent it is probable that a significant reversal of revenue will not occur.

Revenues related to revenue sharing arrangements are recognized based on whether we are the principal and are responsible for fulfilling the promise to provide the specified services or whether we are an agent arranging for those services to be provided by our partners. Determining whether we are a principal or agent in these contracts may require significant judgment. If we are the principal, we recognize revenue in the gross amount of consideration received from the customer, whereas if we are an agent, we recognize revenue net of the consideration due to our partners at a point in time when the services are provided. Our most significant revenue share arrangements are with shipping service providers. We are primarily acting as an agent in these contracts and revenues are recognized at a point in time when we have satisfied our promise of connecting the shipping service provider to our customer.

Recent Accounting Pronouncements Not Yet Adopted

In June 2022, the Financial Accounting Standards Board issued new guidance to clarify the fair value measurement guidance for equity securities subject to contractual restrictions that prohibit the sale of an equity security. Further, the guidance introduces new disclosure requirements for equity securities subject to contractual sale restrictions that are measured at fair value. The standard will be effective for annual reporting periods beginning after December 15, 2023, including interim reporting periods within those fiscal years. We do not expect the adoption of this standard to have a material impact on our consolidated financial statements.

Note 2 — Net Income (Loss) Per Share

Basic net income (loss) per share is computed by dividing net income (loss) for the period by the weighted average number of shares of common stock outstanding during the period. Diluted net income (loss) per share is computed by dividing net income (loss) for the period by the weighted average number of shares of common stock and potentially dilutive common stock outstanding during the period. The dilutive effect of outstanding options and equity incentive awards is reflected in diluted net income (loss) per share by application of the treasury stock method. The calculation of diluted net income (loss) per share excludes all anti-dilutive shares of common stock.

The following table presents the computation of basic and diluted net income (loss) per share for the periods indicated (in millions, except per share amounts):

Note 3 — Business Combinations*Acquisition of TCGplayer*

In 2022, we completed the acquisition of TCGplayer, a trusted marketplace for collectible card game enthusiasts. In the first quarter of 2023, we recorded measurement period adjustments related to the revised valuation of the intangible assets acquired. The following table presents the revised allocation of the aggregate purchase consideration (in millions):

	TCGplayer	
Goodwill	\$	148
Purchased intangible assets		109
Deferred taxes		(18)
Total	\$	239

The goodwill recognized is primarily attributable to expected synergies and the assembled workforce of TCGplayer. We generally do not expect goodwill to be deductible for income tax purposes.

Our consolidated financial statements include the operating results of the acquired business from the date of acquisition. Separate operating results and pro forma results of operations for the acquisition above have not been presented as the effect of this acquisition is not material to our financial results.

We consider cash to be restricted when withdrawal or general use is legally restricted. Restricted cash is held in interest bearing accounts for letters of credit related to our global sabbatical program and for certain amounts related to other compensation arrangements held in escrow. Our fixed-income investments consist of predominantly investment grade corporate debt securities and government and agency securities. The corporate debt and government and agency securities that we invest in are generally deemed to be low risk based on their credit ratings from the major rating agencies.

The longer the duration of these securities, the more susceptible they are to changes in market interest rates and bond yields. As interest rates increase, those securities purchased at a lower yield show a mark-to-market unrealized loss. The unrealized losses are primarily due to changes in credit spreads and interest rates. We regularly review investment securities for other-than-temporary impairment using both qualitative and quantitative criteria. Investments classified as available-for-sale debt securities are carried at fair value with changes reflected in other comprehensive income. Where there is an intention or a requirement to sell an impaired available-for-sale debt security, the entire impairment is recognized in earnings with a corresponding adjustment to the amortized cost basis of the security. From time to time, we sell available-for-sale debt securities in an unrealized loss position and recognize an immaterial loss.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS—(Continued)

We regularly review investment securities for credit impairment using both qualitative and quantitative criteria. In making this assessment, we consider the extent to which fair value is less than amortized cost, any changes to the rating of the security by a rating agency, any adverse conditions specifically related to the security, among other factors. If this assessment indicates that a credit loss exists, the present value of cash flows expected to be collected from the security are compared to the amortized cost basis of the security. If the present value of cash flows expected to be collected is less than the amortized cost basis, a credit loss exists and an allowance for credit losses will be recorded through interest and other, net for the credit loss, limited by the amount that the fair value is less than the amortized cost basis. Any impairment that has not been recorded through an allowance for credit losses is recognized in other comprehensive income. We did not recognize any credit-related impairment through an allowance for credit losses as of June 30, 2023.

Investment securities in a continuous loss position for less than 12 months had an estimated fair value of \$1.6 billion and unrealized losses of \$2 million as of June 30, 2023, and an estimated fair value of \$2.8 billion and unrealized losses of \$32 million as of December 31, 2022. Investment securities in a continuous loss position for greater than 12 months had an estimated fair value of \$1.3 billion and unrealized losses of \$77 million as of June 30, 2023, and an estimated fair value of \$952 million and unrealized losses of \$66 million as of December 31, 2022. Refer to “Note 15 — Accumulated Other Comprehensive Income” for amounts reclassified to earnings from unrealized gains and losses.

Equity investment in Adevinta

We account for equity investments through which we exercise significant influence but do not have control over the investee under the fair value option or under the equity method. Our equity investment in Adevinta is accounted for under the fair value option.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS—(Continued)

Upon completion of the transfer of our Classifieds business to Adevinta in 2021, we received an equity investment of 44% in Adevinta valued at \$10.8 billion at the close of the transfer. In the fourth quarter of 2021, we completed the sale of approximately 135 million of our voting shares in Adevinta to Permira, inclusive of the option exercised by Permira to purchase additional voting shares, for total cash consideration of approximately \$2.3 billion which reduced our ownership in Adevinta to 33%. We have a contractual requirement to retain at least 25% of the total number of issued and outstanding equity securities of Adevinta until October 14, 2023, subject to certain exceptions specified in the agreement. As of December 31, 2022 and June 30, 2023, our equity investment in Adevinta is reported in the short-term assets section on the condensed consolidated balance sheet since our contractual requirement ends within twelve months of the balance sheet date.

At the initial recognition of the equity investment, we elected the fair value option where subsequent changes in fair value are recognized in earnings. The investment is classified within Level 1 in the fair value hierarchy as the valuation can be obtained from real time quotes in active markets. The fair value of the equity investment is measured based on Adevinta's closing stock price and prevailing foreign exchange rate at each balance sheet date and the changes in fair value are reflected in gain (loss) on equity investments and warrant, net in the condensed consolidated statement of income. We believe the fair value option election creates more transparency of the current value in the equity investment in Adevinta.

For the three and six months ended June 30, 2023, unrealized losses of \$210 million and \$36 million, respectively, were recorded in gain (loss) on equity investments and warrant, net on our condensed consolidated statement of income related to the change in fair value of the investment compared to \$829 million and \$2,472 million of unrealized losses recorded during the same periods in 2022. The fair value of the investment was \$2,656 million and \$2,692 million as of June 30, 2023 and December 31, 2022, respectively.

Equity investments with readily determinable fair values

Equity investments with readily determinable fair values are classified within Level 1 in the fair value hierarchy as the valuation can be obtained from real time quotes in active markets. Subsequent changes in fair value are reflected in gain (loss) on equity investments and warrant, net in the condensed consolidated statement of income.

The fair value of the equity investment in KakaoBank Corp. ("KakaoBank") is measured based on closing stock price and prevailing foreign exchange rate at each balance sheet date. For the three and six months ended June 30, 2023, unrealized losses of \$4 million and \$7 million, respectively, were recorded in gain (loss) on equity investments and warrant, net on our condensed consolidated statement of income related to the change in fair value of the investment compared to \$105 million and \$196 million of unrealized losses recorded during the same periods in 2022. During the three and six months ended June 30, 2022, we sold a portion of our shares in KakaoBank for \$242 million and \$287 million, respectively, and recorded realized losses on the change in fair value of shares sold of \$67 million and \$75 million, respectively, in gain (loss) on equity investments and warrant, net. The fair value of the investment was \$97 million and \$104 million as of June 30, 2023 and December 31, 2022, respectively, and is reported within short-term investments in our condensed consolidated balance sheet.

We entered into a warrant agreement in conjunction with a commercial agreement with Adyen that vests in a series of four tranches, at a specified price per share upon meeting processing volume milestone targets on a calendar year basis. When a relevant milestone is reached, the warrant becomes exercisable with respect to the corresponding tranche of warrant shares up until the warrant expiration date of January 31, 2025. We met the processing volume milestone target to vest the first tranche of the warrant and in the third quarter of 2022, we sold the remainder of our shares in Adyen. Refer to "Note 7 — Derivative Instruments" for more information about the warrant.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS—(Continued)

Equity investments under the fair value option

We account for equity investments through which we exercise significant influence but do not have control over the investee under the fair value option or under the equity method. Our equity investment in Gmarket and certain other immaterial equity investments are accounted for under the fair value option.

In the fourth quarter of 2021, we completed the sale of 80.01% of the outstanding equity interests of eBay Korea to Emart. Upon completion of the sale, we retained 19.99% of the outstanding equity interest of the new entity, Gmarket, over whom we are able to exercise significant influence based on the terms of the securities purchase agreement, including through our board representation. Our equity investment in Gmarket was valued at \$728 million as of the transaction close date. At the initial recognition of this equity investment, we elected the fair value option where subsequent changes in fair value are recognized in gain (loss) on equity investments and warrant, net in the condensed consolidated statement of income. We believe the fair value option election creates more transparency of the current value in the equity investment in Gmarket. Our retained investment in Gmarket is subject to a two year right held by Emart to purchase the remaining interest at or near the closing price of the sale.

For the three and six months ended June 30, 2023, unrealized losses of \$29 million and \$40 million, respectively, were recorded in gain (loss) on equity investments and warrant, net on our condensed consolidated statement of income related to the change in fair value of the investment compared to \$77 million and \$259 million of unrealized losses recorded during the same periods in 2022. As of June 30, 2023 and December 31, 2022, the fair value of the investment was \$391 million and \$431 million, respectively, and is reported within long-term investments in our condensed consolidated balance sheet.

The investment is classified as Level 3 in the fair value hierarchy as the valuation reflects management's estimate of assumptions that market participants would use in pricing the equity investment. Certain other immaterial equity investments aggregating to \$40 million and \$30 million as of June 30, 2023 and December 31, 2022, respectively, are measured at fair value using the net asset value per share (or its equivalent) practical expedient, and have not been classified in the fair value hierarchy. Refer to "Note 8 — Fair Value Measurement of Assets and Liabilities" for more information.

Other equity method investments

We account for equity investments through which we exercise significant influence but do not have control over the investee under the fair value option or under the equity method. For equity investments accounted for under the equity method, our consolidated results of operations include, as a component of interest and other, net, our share of the net income or loss of the equity investments. For equity investments accounted for under the fair value option, the change in fair value is included in our consolidated results of operations as a component of gain (loss) on equity investments and warrant, net.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS—(Continued)**Note 7 — Derivative Instruments**

Our primary objective in holding derivatives is to reduce the volatility of earnings and cash flows associated with changes in foreign currency exchange rates and interest rates. These hedging contracts reduce, but do not entirely eliminate, the impact of adverse foreign exchange rate and interest rate movements. We do not use any of our derivative instruments for trading purposes.

We use foreign currency exchange contracts to reduce the volatility of cash flows related to forecasted revenues, expenses, assets and liabilities, including intercompany balances denominated in foreign currencies. These contracts are generally one month to one year in duration but with maturities up to 24 months. The objective of the foreign exchange contracts is to ensure that ultimately the U.S. dollar-equivalent cash flows are not adversely affected by changes in the applicable U.S. dollar/foreign currency exchange rate. We evaluate the effectiveness of our foreign exchange contracts designated as cash flow or net investment hedges on a quarterly basis.

In 2022, we entered into derivative instruments to hedge the variability of forecasted interest payments on anticipated debt issuance using forward-starting interest rate swaps. These interest rate swaps effectively fixed the benchmark interest rate and had the economic effect of hedging the variability of forecasted interest payments for up to ten years on an anticipated debt issuance. Similar to other cash flow hedges, we recorded changes in the fair value of these interest rate swaps in accumulated other comprehensive income ("AOCI") until the anticipated debt issuance. As described in "Note 9 — Debt," in 2022, we issued \$1.2 billion of senior unsecured notes, which consisted of notes maturing in 2025, 2027 and 2032. As a result, we terminated the interest rate swaps and the gain associated with the termination of approximately \$25 million is amortized to interest expense over the term of our notes due in November 2032.

Cash Flow Hedges

For derivative instruments that are designated as cash flow hedges, the derivative's gain or loss is initially reported as a component of AOCI and subsequently reclassified into earnings in the same period the forecasted hedged transaction affects earnings. Derivative instruments designated as cash flow hedges must be de-designated as hedges when it is probable the forecasted hedged transaction will not occur in the initially identified time period or within a subsequent two-month time period. Unrealized gains and losses in AOCI associated with such derivative instruments are immediately reclassified into earnings. As of June 30, 2023, we have estimated that approximately \$16 million of net derivative losses related to our foreign exchange cash flow hedges and \$8 million of net derivative gains related to our interest rate cash flow hedges included in AOCI will be reclassified into earnings within the next 12 months. We classify cash flows related to our cash flow hedges as operating activities in our condensed consolidated statement of cash flows.

Non-Designated Hedges

Our derivatives not designated as hedging instruments consist of foreign currency forward contracts that we primarily use to hedge monetary assets or liabilities, including intercompany balances and equity investments denominated in non-functional currencies. The gains and losses on our derivatives not designated as hedging instruments are recorded in interest and other, net, which are offset by the foreign currency gains and losses on the related assets and liabilities that are also recorded in interest and other, net. We classify cash flows related to our non-designated hedging instruments in the same line item as the cash flows of the related assets or liabilities, which is generally within operating activities in our condensed consolidated statement of cash flows. Cash flows related to the settlement of non-designated hedging instruments related to equity investments are classified within investing activities in our condensed consolidated statement of cash flows.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS—(Continued)

Warrant

We entered into a warrant agreement in conjunction with a commercial agreement with Adyen that, subject to meeting certain conditions, entitles us to acquire a fixed number of shares up to 5% of Adyen's fully diluted issued and outstanding share capital at a specific date. The warrant has a term of seven years and vests in a series of four tranches, at a specified price per share (fixed for the first two tranches) upon meeting processing volume milestone targets on a calendar year basis. When or if a relevant milestone is reached, the warrant becomes exercisable with respect to the corresponding tranche of warrant shares up until the warrant expiration date of January 31, 2025. The maximum number of tranches that can vest in one calendar year is two.

The warrant is accounted for as a derivative under ASC Topic 815, *Derivatives and Hedging*. We report the warrant at fair value within other assets in our condensed consolidated balance sheet and changes in the fair value of the warrant are recognized in gain (loss) on equity investments and warrant, net in our condensed consolidated statement of income. The day-one value attributable to the other side of the warrant, which was recorded as a deferred credit, is reported within other liabilities in our condensed consolidated balance sheet and is amortized over the life of the commercial arrangement. See "Note 8 — Fair Value Measurements" for information about the fair value measurement of the warrant.

Under the master netting agreements with the respective counterparties to our derivative contracts, subject to applicable requirements, we are allowed to net settle transactions of the same type with a single net amount payable by one party to the other. However, we have elected to present the derivative assets and derivative liabilities on a gross basis on our condensed consolidated balance sheet. As of June 30, 2023, the potential effect of rights of set-off associated with the foreign exchange contracts would be an offset to both assets and liabilities by \$26 million, resulting in net derivative assets of \$43 million and net derivative liabilities of \$4 million. As of June 30, 2023, there was no potential effect of rights of set-off associated with the interest rate contracts as there were no asset positions.

Notional Amounts of Derivative Contracts

Derivative transactions are measured in terms of the notional amount, but this amount is not recorded on the balance sheet and is not, when viewed in isolation, a meaningful measure of the risk profile of the instruments. The notional amount is generally not exchanged, but is used only as the basis on which the value of foreign exchange payments under these contracts are determined. The following table presents the notional amounts of our outstanding derivatives as of the dates indicated (in millions):

	June 30, 2023	December 31, 2022
Foreign exchange contracts designated as cash flow hedges	\$ 1,822	\$ 1,741

Interest rate contracts designated as cash flow hedges	—	400
Total	<u>\$ 4,349</u>	<u>\$ 4,322</u>

Credit Risk

Our derivatives expose us to credit risk to the extent that the counterparties may be unable to meet the terms of the arrangement. We seek to mitigate such risk by limiting our counterparties to, and by spreading the risk across, major financial institutions. In addition, the potential risk of loss with any one counterparty resulting from this type of credit risk is monitored on an ongoing basis. To further limit credit risk, we also enter into collateral security arrangements related to certain interest rate derivative instruments whereby collateral is posted between counterparties if the fair value of the derivative instrument exceeds certain thresholds. Additional collateral would be required in the event of a significant credit downgrade by either party. We are not required to pledge, nor are we entitled to receive, collateral related to our foreign exchange derivative transactions.

Our financial assets and liabilities are valued using market prices on both active markets (Level 1), less active markets (Level 2) and little or no market activity (Level 3). Level 1 instrument valuations are obtained from real-time quotes for transactions in active exchange markets involving identical assets. Level 2 instrument valuations are obtained from readily available pricing sources for comparable instruments, identical instruments in less active markets, or models using market observable inputs. Level 3 instrument valuations typically reflect management's estimate of assumptions that market participants would use in pricing the asset or liability. We did not have any transfers of financial instruments between valuation levels during the six months ended June 30, 2023.

Other financial instruments, including accounts receivable and accounts payable, are carried at cost, which approximates their fair value because of the short-term nature of these instruments.

Fair value measurement of derivative instruments

The majority of our derivative instruments are valued using pricing models that take into account the contract terms as well as multiple inputs where applicable, such as equity prices, interest rate yield curves, option volatility and currency rates. Our warrant, which is accounted for as a derivative instrument, is valued using a Black-Scholes model. Key assumptions used in the valuation include risk-free interest rates, Adyen's common stock price, equity volatility and common stock outstanding, exercise price, and details specific to the warrant. The value is also probability adjusted for management's assumptions with respect to vesting of the remaining three tranches which are each subject to meeting processing volume milestone targets. These assumptions and the probability of

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS—(Continued)

meeting processing volume milestone targets may have a significant impact on the value of the warrant. Refer to “Note 7 — Derivative Instruments” for further details on our derivative instruments.

The following table presents a reconciliation of the opening to closing balance of assets measured using significant unobservable inputs (Level 3) as of the dates indicated (in millions):

	June 30, 2023	December 31, 2022
Opening balance at beginning of period	\$ 214	\$ 444
Change in fair value	69	(230)
Closing balance at end of period	\$ 283	\$ 214

The following table presents quantitative information about Level 3 significant unobservable inputs used in the fair value measurement of the warrant as of June 30, 2023 (in millions, except percentages):

	Fair value	Valuation technique	Unobservable Input ⁽¹⁾	Range (weighted average)
Warrant	\$ 283	Black-Scholes and Monte Carlo	Probability of vesting Equity volatility	0.0% - 55.0% (48.2%) (51%)

(1) Probability of vesting was weighted by the unadjusted value of the tranches. For volatility, the average represents the arithmetic average of the points within the range and is not weighted by the relative fair value or notional amount.

Fair value measurement of equity investments

Certain equity investments are measured at fair value on a recurring basis, including our equity investment in Adevinta, equity investments with readily determinable fair values and equity investments under the fair value option.

Our equity investment in Adevinta is accounted for under the fair value option and classified within Level 1 in the fair value hierarchy as the fair value is measured based on Adevinta's closing stock price and prevailing foreign exchange rate at each balance sheet date. Our equity investments with readily determinable fair values are also classified within Level 1 in the fair value hierarchy as the valuation can be obtained from real time quotes in active markets.

Our equity investment in Gmarket is accounted for under the fair value option and is subject to a two year right held by Emart from the date of disposal to purchase the remaining interest at or near the closing price of the sale.

The following table presents a reconciliation of the opening to closing balance of the equity investment in Gmarket measured using significant unobservable inputs (Level 3) as of the dates indicated (in millions):

	June 30, 2023	December 31, 2022

Closing balance at end of period	\$ 391	\$ 431

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS—(Continued)

This investment is classified within Level 3 in the fair value hierarchy as valuation of the investment reflects management's estimate of assumptions that market participants would use in pricing the asset. The following table presents quantitative information about Level 3 significant unobservable inputs used in the fair value measurement of the equity investment in Gmarket as of June 30, 2023 that may have a significant impact on the overall valuation (in millions, except multiples):

	Fair value	Valuation technique	Unobservable Input ⁽¹⁾	Range
Equity investment in Gmarket	\$ 391	Market multiples	Revenue multiple — GPC method	0.8x — 1.6x
			Revenue multiple — GMAC method	1.0x — 3.9x

(1) The primary unobservable inputs used in the fair value measurement of our equity investment in Gmarket under the fair value option, when using the Guideline Public Company (GPC) method and the Guideline Merged and Acquired Company (GMAC) method under the market multiple approach, are the respective revenue multiples. Significant increases (decreases) in the revenue multiples in isolation would result in significantly higher (lower) fair value measurement. The market multiples are derived from respective groups of guideline public companies and guideline merged and acquired companies.

Certain other immaterial equity investments under the fair value option aggregating to \$40 million and \$30 million as of June 30, 2023 and December 31, 2022, respectively, are measured at fair value using the net asset value per share (or its equivalent) practical expedient, and have not been classified in the fair value hierarchy.

Senior Notes

In January 2023, we redeemed the \$1.2 billion aggregate principal amount of the floating rate and 2.750% senior notes due 2023. Total cash consideration paid was \$1.2 billion, as the redemption price was equal to 100% of the principal amount. In addition, we paid accrued and unpaid interest on the principal amount.

In 2022, we redeemed the \$1.4 billion aggregate principal amount of the 2.600% and 3.800% senior notes due 2022. Total cash consideration paid was \$1.4 billion, as the redemption price was equal to 100% of the principal amount. In addition, we paid accrued and unpaid interest on the principal amount.

In 2022, we issued senior notes of \$1.2 billion aggregate principal amount, which consisted of \$425 million of 5.900% fixed rate notes due 2025, \$300 million of 5.950% fixed rate notes due to 2027 and \$425 million of 6.300% fixed rate notes due 2032.

We may redeem some or all of the fixed rate notes of each series at any time and from time to time prior to their maturity, generally at a make-whole redemption price, plus accrued and unpaid interest.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS—(Continued)

If a change of control triggering event (as defined in the applicable senior notes) occurs with respect to the 3.450% fixed rate notes due 2024, the 1.900% fixed rate notes due 2025, the 5.900% fixed rate notes due 2025, the 1.400% fixed rate notes due 2026, the 3.600% fixed rate notes due 2027, the 5.950% fixed rate notes due 2027, the 2.700% fixed rate notes due 2030, the 2.600% fixed rate notes due 2031, the 6.300% fixed rate notes due 2032, the 4.000% fixed rate notes due 2042, or the 3.650% fixed rate notes due 2051, we must, subject to certain exceptions, offer to repurchase all of the notes of the applicable series at a price equal to 101% of the principal amount, plus accrued and unpaid interest.

The indenture pursuant to which the senior notes were issued includes customary covenants that, among other things and subject to exceptions, limit our ability to incur, assume or guarantee debt secured by liens on specified assets or enter into sale and lease-back transactions with respect to specified properties, and also includes customary events of default with customary grace periods in certain circumstances, including payment defaults and bankruptcy-related defaults.

To help achieve our interest rate risk management objectives, during the second quarter of 2020, we entered into interest rate swap agreements that effectively converted \$400 million of our LIBOR-based floating-rate debt to a fixed-rate basis. During the first quarter of 2023 we terminated the interest rate swap agreements upon redemption of the floating rate senior notes due 2023. During 2022, we entered into derivative instruments to hedge the variability of forecasted interest payments on anticipated debt issuance using forward-starting interest rate swaps. As described above, in 2022 we issued \$1.2 billion of senior unsecured notes, which consisted of notes maturing in 2025, 2027 and 2032. As a result, we terminated the interest rate swaps and the gain associated with the termination of approximately \$25 million is amortized to interest expense over the term of our notes due in November 2032.

The effective interest rates for our senior notes include the interest payable, the amortization of debt issuance costs and the amortization of any original issue discount and premium on these senior notes. Interest on these senior notes is payable either quarterly or semiannually. Interest expense associated with these senior notes, including amortization of debt issuance costs, was approximately \$64 million and \$55 million during the three months ended June 30, 2023 and 2022, respectively, and \$131 million and \$115 million during the six months ended June 30, 2023 and 2022, respectively. As of June 30, 2023 and December 31, 2022, the estimated fair value of these senior notes, using Level 2 inputs, was approximately \$6.9 billion and \$8.0 billion, respectively.

Commercial Paper

We have a commercial paper program pursuant to which we may issue commercial paper notes in an aggregate principal amount at maturity of up to \$1.5 billion outstanding at any time with maturities of up to 397 days from the date of issue. As of June 30, 2023 and December 31, 2022, there were no commercial paper notes outstanding.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS—(Continued)***Credit Agreement***

In March 2020, we entered into a credit agreement that provides for an unsecured \$2 billion five-year credit facility. We may also, subject to the agreement of the applicable lenders, increase commitments under the revolving credit facility by up to \$1 billion. Funds borrowed under the credit agreement may be used for working capital, capital expenditures, acquisitions and other general corporate purposes.

As of June 30, 2023, no borrowings were outstanding under our \$2 billion credit agreement. However, as described above, we have an up to \$1.5 billion commercial paper program and are required to maintain available borrowing capacity under our credit agreement in order to repay commercial paper borrowings in the event we are unable to repay those borrowings from other sources when they become due, in an aggregate amount of \$1.5 billion. As of June 30, 2023, no borrowings were outstanding under our commercial paper program; therefore, \$2 billion of borrowing capacity was available for other purposes permitted by the credit agreement, subject to customary conditions to borrowing. The credit agreement includes a covenant limiting our consolidated leverage ratio to no more than 4.0:1.0, subject to, upon the occurrence of a qualified material acquisition, if so elected by us, a step-up to 4.5:1.0 for the four fiscal quarters completed following such qualified material acquisition. The credit agreement includes customary events of default, with corresponding grace periods in certain circumstances, including payment defaults, cross-defaults and bankruptcy-related defaults. In addition, the credit agreement contains customary affirmative and negative covenants, including restrictions regarding the incurrence of liens and subsidiary indebtedness, in each case, subject to customary exceptions. The credit agreement also contains customary representations and warranties.

We were in compliance with all financial covenants in our outstanding debt instruments during the six months ended June 30, 2023.

Note 10 — Supplemental Consolidated Financial Information
Contract Balances

Timing of revenue recognition may differ from the timing of invoicing to customers. Accounts receivable represents amounts invoiced and revenue recognized prior to invoicing when we have satisfied our performance obligation and have the unconditional right to payment. The allowance for doubtful accounts and authorized credits is estimated based upon our assessment of various factors including historical experience, the age of the accounts receivable balances, current economic conditions reasonable and supportable forecasts, and other factors that may affect our customers' ability to pay. The allowance for doubtful accounts and authorized credits was \$43 million and \$42 million as of June 30, 2023 and December 31, 2022, respectively. As of June 30, 2023, we reported an allowance for doubtful accounts of \$18 million reflecting an increase of \$2 million, net of write-offs of \$4 million for the six months ended June 30, 2023. As of December 31, 2022, we reported an allowance for doubtful accounts of \$16 million.

Deferred revenue consists of fees received related to unsatisfied performance obligations at the end of the period. Due to the generally short-term duration of contracts, the majority of the performance obligations are satisfied in the following reporting period. The amount of revenue recognized for the six month period ended June 30, 2023 that was included in the deferred revenue balance at the beginning of the period was \$31 million. The amount of revenue recognized for the six month period ended June 30, 2022 that was included in the deferred revenue balance at the beginning of the period was \$37 million.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS—(Continued)**Note 11 — Commitments and Contingencies*****Off-Balance Sheet Arrangements***

As of June 30, 2023, we had no off-balance sheet arrangements that have, or are reasonably likely to have, a current or future material effect on our consolidated financial condition, results of operations, liquidity, capital expenditures or capital resources.

We have a cash pooling arrangement with a financial institution for cash management purposes. This arrangement allows for cash withdrawals from the financial institution based upon our aggregate operating cash balances held within the same financial institution ("Aggregate Cash Deposits"). This arrangement also allows us to withdraw amounts exceeding the Aggregate Cash Deposits up to an agreed-upon limit. The net balance of the withdrawals and the Aggregate Cash Deposits are used by the financial institution as a basis for calculating our net interest expense or income under the arrangement. As of June 30, 2023, we had a total of \$175 million in aggregate cash deposits and \$8 million in aggregate cash withdrawals held within the financial institution under the cash pooling arrangement.

Litigation and Other Legal Matters***Overview***

We are involved in legal and regulatory proceedings on an ongoing basis. Many of these proceedings are in early stages and may seek an indeterminate amount of damages. If we believe that a loss arising from such matters is probable and can be reasonably estimated, we accrue the estimated liability in our financial statements. If only a range of estimated losses can be determined, we accrue an amount within the range that, in our judgment, reflects the most likely outcome; if none of the estimates within that range is a better estimate than any other amount, we accrue the low end of the range. For those proceedings in which an unfavorable outcome is reasonably possible but not probable, we have disclosed an estimate of the reasonably possible loss or range of losses or we have concluded that an estimate of the reasonably possible loss or range of losses arising directly from the proceeding (i.e., monetary damages or amounts paid in judgment or settlement) is not material. If we cannot estimate the probable or reasonably possible loss or range of losses arising from a proceeding, we have disclosed that fact. In assessing the materiality of a proceeding, we evaluate, among other factors, the amount of monetary damages claimed, as well as the potential impact of non-monetary remedies sought by plaintiffs (e.g., injunctive relief) that may require us to change our business practices in a manner that could have a material adverse impact on our business. With respect to the matters disclosed in this Overview, we are unable to estimate the possible loss or range of losses that could potentially result from the application of such non-monetary remedies.

Amounts accrued for legal and regulatory proceedings for which we believe a loss is probable were not material for the six months ended June 30, 2023. We have concluded, based on currently available information, that reasonably possible losses arising directly from the proceedings (i.e., monetary damages or amounts paid in judgment or settlement) in excess of our recorded accruals are also not material. However, legal and regulatory proceedings are inherently unpredictable and subject to significant uncertainties. If one or more matters were resolved against us in a reporting period for amounts in excess of management's expectations, the impact on our operating results or financial condition for that reporting period could be material. Legal fees are expensed as incurred.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS—(Continued)*General Matters*

Third parties have from time to time claimed, and others may claim in the future, that we have infringed their intellectual property rights. We are subject to patent disputes, and expect that we could be subject to additional patent infringement claims involving various aspects of our business as our products and services continue to expand in scope and complexity. Such claims may be brought directly or indirectly against us and/or against our customers (who may be entitled to contractual indemnification under their contracts with us), and we are subject to increased exposure to such claims as a result of our acquisitions and divestitures and in cases where we are entering new lines of business. We have in the past been forced to litigate such claims. We may also become more vulnerable to third-party claims as laws such as the Digital Millennium Copyright Act, the Lanham Act and the Communications Decency Act are interpreted by the courts, and as we expand the scope of our business (both in terms of the range of products and services that we offer and our geographical operations) and become subject to laws in jurisdictions where the underlying laws with respect to the potential liability of online intermediaries like ourselves are either unclear or less favorable. We believe that additional lawsuits alleging that we have violated patent, copyright or trademark laws will be filed against us. Intellectual property claims, whether meritorious or not, are time consuming and costly to defend and resolve, could require expensive changes in our methods of doing business or could require us to enter into costly royalty or licensing agreements on unfavorable terms.

From time to time, we are involved in other disputes or regulatory inquiries that arise in the ordinary course of business, including suits by our users (individually or as class actions) alleging, among other things, improper disclosure of our prices, rules or policies, that our practices, prices, rules, policies or customer/user agreements violate applicable law or that we have acted unfairly and/or not acted in conformity with such practices, prices, rules, policies or agreements. Further, the number and significance of these disputes and inquiries are increasing as the political and regulatory landscape changes and, as we have grown larger, our businesses have expanded in scope (both in terms of the range of products and services that we offer and our geographical operations) and our products and services have increased in complexity. Any claims or regulatory actions against us, whether meritorious or not, could be time consuming, result in costly litigation, damage awards (including statutory damages for certain causes of action in certain jurisdictions), injunctive relief or increased costs of doing business through adverse judgment or settlement, require us to change our business practices in expensive ways, require significant amounts of management time, result in the diversion of significant operational resources or otherwise harm our business.

From time to time, the Company receives subpoenas or requests for information from various government agencies, typically for potential misconduct by sellers on the Company's Marketplace platforms. More recently, the Company has received subpoenas or requests for information from government agencies related to potential liability of the Company for products sold by sellers on the Marketplace platforms. The Company generally responds to government subpoenas and requests in the ordinary course of business and in a cooperative, thorough and timely manner. These responses sometimes require time and effort and can result in considerable costs being incurred by the Company.

In this regard, the Company has responded to inquiries from the U.S. Department of Justice ("DOJ") regarding products sold on the Marketplace platforms alleged to violate certain laws and regulations, including regulations of the Environmental Protection Agency ("EPA") and, separately, regulations of the Drug Enforcement Agency. The inquiries relate to whether and to what extent the Company should be liable for the sale of regulated or illicit products manufactured and sold by others who listed such products on Marketplace platforms in a manner that evaded and/or was designed to evade detection by the Company. With respect to the inquiries regarding EPA regulations, the EPA, DOJ and the Company have begun discussions relating to allegations of noncompliance arising under the Clean Air Act, among other alleged violations, which discussions include a potential settlement. If the Company is found to be liable for such activities on the Marketplace, it likely will be subject to monetary damages, changes in our business practices, or other remedies that could have a material adverse impact on our business.

The Company is also responding to inquiries from the U.S. Attorney for the District of Massachusetts regarding potential criminal liability of the Company arising from the stalking and harassment in 2019 of the editor and publisher of Ecommercebytes, a website that publishes ecommerce news and information. Six former Company employees and one former contractor have pleaded guilty to crimes arising from the conduct. The Company has

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS—(Continued)

begun discussions with the U.S. Attorney's Office, which discussions include a potential settlement. We expect any such settlement may include fines, other payments, and non-monetary remedies, such as additional remediation, compliance and reporting requirements. Although the Company has concluded that losses in the U.S. Attorney matter are probable, we are unable at this time to estimate the losses that may be incurred because the matter is still under investigation and involves open questions relevant to the Company's potential liability for conduct of its former employees. The editor and publisher also have a pending civil action against the Company, which seeks unspecified damages arising from the above-described conduct.

In connection with the government matters and civil action described above, the Company to date has accrued for probable losses of approximately \$64 million in the aggregate. Given the uncertainties involved, the ultimate resolution of these matters could result in additional losses that may be material to our financial results for a particular period, depending on, among other factors, the size of the loss or liability imposed and the level of our net income or loss for that period.

Indemnification Provisions

We entered into a separation and distribution agreement and various other agreements with PayPal to govern the separation and relationship of the two companies. These agreements provide for specific indemnity and liability obligations and could lead to disputes between us and PayPal, which may be significant. In addition, the indemnity rights we have against PayPal under the agreements may not be sufficient to protect us and our indemnity obligations to PayPal may be significant.

In addition, we have entered into indemnification agreements with each of our directors, executive officers and certain other officers. These agreements require us to indemnify such individuals, to the fullest extent permitted by Delaware law, for certain liabilities to which they may become subject as a result of their affiliation with us.

In the ordinary course of business, we have included limited indemnification provisions in certain of our agreements with parties with which we have commercial relations, including our standard marketing, promotions and application programming interface license agreements. Under these contracts, we generally indemnify, hold harmless and agree to reimburse the indemnified party for losses suffered or incurred by the indemnified party in connection with claims by a third party with respect to our domain names, trademarks, logos and other branding elements to the extent that such marks are applicable to our performance under the subject agreement. In certain cases, we have agreed to provide indemnification for intellectual property infringement. It is not possible to determine the maximum potential loss under these indemnification provisions due to our limited history of prior indemnification claims and the unique facts and circumstances involved in each particular provision. To date, losses recorded in our consolidated statement of income in connection with our indemnification provisions have not been significant, either individually or collectively.

Note 12 — Stockholders' Equity
Stock Repurchase Program

Our stock repurchase programs are intended to programmatically offset the impact of dilution from our equity compensation programs and, subject to market conditions and other factors, to make opportunistic and programmatic repurchases of our common stock to reduce our outstanding share count. Any share repurchases under our stock repurchase programs may be made through open market transactions, block trades, privately negotiated transactions (including accelerated share repurchase transactions) or other means at times and in such amounts as management deems appropriate and will be funded from our working capital or other financing alternatives. Our stock repurchase programs may be limited or terminated at any time without prior notice. The timing and actual number of shares repurchased will depend on a variety of factors, including corporate and regulatory requirements, price and other market conditions and management's determination as to the appropriate use of our cash.

The following table summarizes stock repurchase activity under our stock repurchase programs for the period indicated (in millions, except per share amounts):

	Shares Repurchased ⁽¹⁾	Average Price per Share ⁽²⁾	Value of Shares Repurchased ⁽²⁾	Remaining Amount Authorized
Balance as of January 1, 2023				\$ 2,848
Repurchase of shares of common stock	11	\$ 44.92	\$ 500	(500)
Balance as of June 30, 2023				<u>\$ 2,348</u>

(1) These repurchased shares of common stock were recorded as treasury stock and were accounted for under the cost method. None of the repurchased shares of common stock have been retired.

(2) Excludes broker commissions and excise tax accruals.

Dividends

The Company paid a total of \$133 million and \$121 million in cash dividends during the three months ended June 30, 2023 and 2022, respectively, and \$267 million and \$250 million in cash dividends during the six months ended June 30, 2023 and 2022, respectively. In July 2023, our Board of Directors declared a cash dividend of \$0.25 per share of common stock to be paid on September 15, 2023 to stockholders of record as of September 1, 2023.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS—(Continued)**Note 14 — Income Taxes**

We are subject to both direct and indirect taxation in the U.S. and various states and foreign jurisdictions. We are under examination by certain tax authorities for the 2010 to 2021 tax years. We believe that adequate amounts have been reserved for any adjustments that may ultimately result from these or other examinations. The material jurisdictions where we are subject to potential examination by tax authorities for tax years after 2009 include, among others, the U.S. (Federal and California), Germany, India, Israel, Switzerland and the United Kingdom.

Although the timing of the resolution and/or closure of audits is highly uncertain, it is reasonably possible that the balance of gross unrecognized tax benefits could significantly change in the next 12 months. However, given the number of years remaining subject to examination and the number of matters being examined, we are unable to estimate the full range of possible adjustments to the balance of gross unrecognized tax benefits.

We have recognized the tax consequences of all foreign unremitted earnings and management has no specific plans to indefinitely reinvest the unremitted earnings of our foreign subsidiaries as of the balance sheet date. We have not provided for deferred taxes on outside basis differences in our investments in our foreign subsidiaries that are unrelated to unremitted earnings. These basis differences will be indefinitely reinvested. A determination of the unrecognized deferred taxes related to these other components of our outside basis difference is not practicable.

We have recognized the tax consequences of all foreign unremitted earnings and management has no specific plans to indefinitely reinvest the unremitted earnings of our foreign subsidiaries as of the balance sheet date. Accordingly, as of June 30, 2023 and December 31, 2022, \$292 million and \$526 million, respectively, of our liability for deemed repatriation of foreign earnings was included in other liabilities on our consolidated balance sheet. We have not provided for deferred taxes on outside basis differences in our investments in our foreign subsidiaries that are unrelated to unremitted earnings. These basis differences will be indefinitely reinvested. A determination of the unrecognized deferred taxes related to these other components of our outside basis difference is not practicable.

ITEM 2: MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

FORWARD-LOOKING STATEMENTS

This Quarterly Report on Form 10-Q contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934, including statements that involve expectations, plans or intentions (such as those relating to future business, future results of operations or financial condition, inflationary pressure, foreign exchange rate volatility and geopolitical events, such as the ongoing war in Ukraine, new or planned features or services, or management strategies). You can generally identify these forward-looking statements by words such as “may,” “will,” “would,” “should,” “could,” “expect,” “anticipate,” “believe,” “estimate,” “intend,” “plan” and other similar expressions. These forward-looking statements involve risks and uncertainties that could cause our actual results to differ materially from those expressed or implied in our forward-looking statements. Such risks and uncertainties include, among others, those discussed in “Part I – Item 1A: Risk Factors” of the Company’s Annual Report on Form 10-K for the year ended December 31, 2022 (the “2022 Form 10-K”), as well as in our unaudited condensed consolidated financial statements, related notes, and the other information appearing elsewhere in this report and our other filings with the Securities and Exchange Commission (“SEC”). We do not intend, and undertake no obligation, to update any of our forward-looking statements after the date of this report to reflect actual results or future events or circumstances. Given these risks and uncertainties, readers are cautioned not to place undue reliance on such forward-looking statements. You should read the following Management’s Discussion and Analysis of Financial Condition and Results of Operations in conjunction with the unaudited condensed consolidated financial statements and the related notes included in this report.

When we refer to “we,” “our,” “us” or “eBay” in this Quarterly Report on Form 10-Q, we mean the current Delaware corporation (eBay Inc.) and its consolidated subsidiaries, unless otherwise expressly stated or the context otherwise requires.

OVERVIEW

Business

eBay Inc. is a global commerce leader, which includes our Marketplace platforms. Founded in 1995 in San Jose, California, eBay is one of the world’s largest and most vibrant marketplaces for discovering great value and unique selection. Collectively, we connect millions of buyers and sellers around the world, empowering people and creating opportunity. Our technologies and services are designed to provide buyers choice and a breadth of relevant inventory and to enable sellers worldwide to organize and offer their inventory for sale, virtually anytime and anywhere. In 2023, we are focused on our strategic playbook — to understand the customer and their needs; build experiences they will love, at scale; and tell our story in new and different ways.

In 2022, and extending into the second quarter of 2023, we experienced reduced traffic in most markets resulting from geopolitical events, inflationary pressure, foreign exchange rate volatility and lower consumer confidence. These factors negatively impacted discretionary consumer spending, are uncertain in duration and we expect them to continue throughout 2023.

Presentation

In addition to the corresponding measures under generally accepted accounting principles ("GAAP"), management uses non-GAAP measures in reviewing our financial results. The foreign exchange neutral ("FX-Neutral"), or constant currency, net revenue amounts discussed below are non-GAAP financial measures and are not in accordance with, or an alternative to, measures prepared in accordance with GAAP. Accordingly, the FX-Neutral information appearing in the following discussion of our results of operations should be read in conjunction with the information provided below in "*Non-GAAP Measures of Financial Performance*," which includes reconciliations of FX-Neutral financial measures to the most directly comparable GAAP measures. We calculate the year-over-year impact of foreign currency movements using prior period foreign currency rates applied to current year transactional currency amounts.

Quarter Highlights

Net revenues increased 5% to \$2,540 million during the three months ended June 30, 2023 compared to the same period in 2022 primarily due to the investment in focus categories and higher take rate as a result of the expansion of promoted listings, international shipping and payment services. The increase in net revenues was partially offset by a reduction in traffic in most markets resulting from geopolitical events, inflationary pressure, foreign exchange rate volatility and lower consumer confidence during the three months ended June 30, 2023. FX-Neutral net revenues (as defined above) increased 6% during the three months ended June 30, 2023 compared to the same period in 2022. Operating margin decreased to 20.4% for the three months ended June 30, 2023 compared to 21.7% for the same period in 2022.

We generated cash flow from continuing operating activities of \$605 million during the three months ended June 30, 2023 compared to \$577 million in the same period in 2022.

We recorded unrealized losses of \$214 million in aggregate in gain (loss) on equity investments and warrant, net on our condensed consolidated statement of income during the three months ended June 30, 2023 compared to \$1,221 million of realized and unrealized losses recorded during the same period in 2022.

During the three months ended June 30, 2023, we paid \$250 million cash for the purchase of common stock and paid \$133 million in cash dividends.

In July 2023, we declared a quarterly cash dividend of \$0.25 per share of common stock to be paid on September 15, 2023 to stockholders of record as of September 1, 2023.

RESULTS OF OPERATIONS

We have one reportable segment to reflect the way management and our chief operating decision maker (“CODM”) review and assess performance of the business. Our reportable segment is Marketplace, which includes our online marketplace located at www.ebay.com, its localized counterparts and the eBay suite of mobile apps. The accounting policies of our segment are the same as those described in “Note 1 — The Company and Summary of Significant Accounting Policies” in our condensed consolidated financial statements included elsewhere in this report.

Net Revenues

Beginning in the fourth quarter of 2022, we present revenues generated from our Marketplace GMV and from non-GMV based businesses as “Net revenues” in order to more closely align our presentation of net revenues with how our business is operated. We formerly presented such amounts as “Net transaction revenues” and “Marketing services and other (MS&O) revenues,” and those line items for such prior periods have been conformed to current period presentation. Consolidated net revenues are unchanged.

Net revenues primarily include final value fees, feature fees, fees to promote listings, payment service fees, listing fees, and store subscription fees from sellers on our platforms. Our net revenues also include revenues from the sale of advertisements, revenue sharing arrangements and shipping fees. Our net revenues are reduced by incentives, including discounts, coupons and rewards, provided to our customers.

The following table presents net revenues for the periods indicated (in millions, except percentages):

	Three Months Ended June 30,			Six Months Ended June 30,		
	2023	2022	% Change	2023	2022	% Change
Net revenues	\$ 2,540	\$ 2,422	5 %	\$ 5,050	\$ 4,905	3 %

Seasonality

We expect transaction activity patterns on our platforms to trend with general consumer buying patterns and expect that these trends will continue. As we introduce and scale new products throughout the year, we expect net revenues to fluctuate. In addition, macroeconomic conditions, including the impact of COVID-19, disrupted seasonal patterns in net revenues, particularly in the first quarter of 2021. The following table presents our total net revenues and the sequential quarterly movements of these net revenues for the periods indicated (in millions, except percentages):

	Quarter Ended			
	March 31	June 30	September 30	December 31
2021

2023				
Net revenues	\$ 2,510	\$ 2,540	\$ —	\$ —
% change from prior quarter	— %	1 %		

Net Revenues by Geography

Revenues are attributed to U.S. and international geographies primarily based upon the country in which the seller, platform that displays advertising, other service provider or customer, as the case may be, is located. The following table presents net revenues by geography for the periods indicated (in millions, except percentages):

	Three Months Ended June 30,			Six Months Ended June 30,		
	2023	2022	% Change	2023	2022	% Change
U.S.	\$ 1,265	\$ 1,199	6 %	\$ 2,526	\$ 2,425	4 %
<i>Percentage of net revenues</i>	50 %	49 %		50 %	49 %	
International	1,275	1,223	4 %	2,524	2,480	2 %
<i>Percentage of net revenues</i>	50 %	51 %		50 %	51 %	
Total net revenues	<u>\$ 2,540</u>	<u>\$ 2,422</u>	5 %	<u>\$ 5,050</u>	<u>\$ 4,905</u>	3 %

Our commerce platforms operate globally, resulting in certain revenues that are denominated in foreign currencies, primarily the British pound and euro. Year-over-year appreciation or depreciation of the U.S. dollar may have a material impact to our financial results, and we have seen elevated foreign currency volatility that we expect to continue throughout 2023. Through our hedging programs, we actively monitor foreign currency volatility and attempt to mitigate the risk. As shown in the table above, we generate approximately half of our net revenues internationally. Because of these factors, we are subject to the risks related to doing business in foreign countries as discussed in “Part I - Item 1A: Risk Factors” of the 2022 Form 10-K.

Net revenues included \$14 million and \$43 million of hedging gains during the three and six months ended June 30, 2023 as compared to \$9 million and \$15 million of hedging gains during the same periods in 2022. Foreign currency movements relative to the U.S. dollar had an unfavorable impact of \$9 million and \$54 million on net revenues during the three and six months ended June 30, 2023 compared to an unfavorable impact of \$95 million and \$153 million on net revenues during the same periods in 2022. The effect of foreign currency exchange rate movements during the three months ended June 30, 2023 compared to the same periods in 2022 was primarily attributable to the strengthening of the U.S. dollar against the British pound while the effect of foreign currency exchange rate movements during the six months ended June 30, 2023 compared to the same periods in 2022 was primarily attributable to the strengthening of the U.S. dollar against the British pound and euro.

Key Operating Metrics

Gross Merchandise Volume (“GMV”) and take rate are significant factors that we believe affect our net revenues.

GMV consists of the total value of all paid transactions between users on our platforms during the applicable period inclusive of shipping fees and taxes. Despite GMV’s divergence from revenue, we still believe that GMV provides a useful measure of the overall volume of paid transactions that flow through our platforms in a given period.

Take rate is defined as net revenues divided by GMV and represents net revenues as a percentage of overall volume on our platforms. We believe that take rate provides a useful measure of our ability to monetize volume through marketplace services on our platforms in a given period. We use take rate to identify key revenue drivers on our marketplace.

The following table presents net revenues, GMV and take rate for the periods indicated (in millions, except percentages):

	Three Months Ended June 30,		% Change		Six Months Ended June 30,		% Change	
	2023	2022	As Reported	FX-Neutral	2023	2022	As Reported	FX-Neutral
Net revenues ⁽¹⁾	\$ 2,540	\$ 2,422	5 %	6 %	\$ 5,050	\$ 4,905	3 %	4 %
Supplemental data:								
GMV	\$ 18,214	\$ 18,549	(2)%	(1)%	\$ 36,624	\$ 37,958	(4)%	(1)%
Take rate ⁽²⁾	13.95 %	13.06 %	0.87 %		13.79 %	12.92 %	0.87 %	

(1) Net revenues were net of \$14 million and \$43 million hedging gains during the three and six months ended June 30, 2023 as compared to \$9 million and \$15 million hedging gains during the same periods in 2022.

(2) Take rate is defined as net revenues divided by GMV, as discussed above.

Net revenues increased primarily due to the investment in focus categories and higher take rate as a result of the expansion of promoted listings, international shipping and payment services. The increase in net revenues was partially offset by a reduction in traffic in most markets resulting from geopolitical events, inflationary pressure, foreign exchange rate volatility and lower consumer confidence, which negatively impacted discretionary consumer spending during the three and six months ended June 30, 2023.

Net revenues increased despite lower GMV during the three and six months ended June 30, 2023 compared to 2022 primarily due to the benefit of a higher take rate during the same periods, as discussed above. We expect the divergence between net revenues and GMV to continue throughout the year. Despite GMV's divergence from net revenues, we still believe the metric provides a useful measure of overall volume of paid transactions that flow through the platform in a given period.

Cost of Net Revenues

Cost of net revenues represents costs associated with customer support, site operations and payment processing. Significant components of these costs primarily consist of employee compensation including stock-based compensation, contractor costs, facilities costs, depreciation of equipment and amortization expense, bank transaction fees, credit card interchange and assessment fees, authentication costs, shipping costs and digital services tax. The following table presents cost of net revenues for the periods indicated (in millions, except percentages):

	Three Months Ended June 30,		% Change	Six Months Ended June 30,		% Change
	2023	2022		2023	2022	
Cost of net revenues	\$ 718	\$ 663	8 %	\$ 1,418	\$ 1,352	5 %
Percentage of net revenues	28 %	27 %		28 %	28 %	

Cost of net revenues, net of immaterial hedging activities, increased during the three months ended June 30, 2023 compared to the same period in 2022 primarily driven by a \$27 million increase related to the launch of eBay International Shipping and a \$15 million increase related to the expansion of authentication services.

Cost of net revenues, net of immaterial hedging activities, increased during the six months ended June 30, 2023 compared to the same period in 2022 primarily driven by a \$39 million increase related to the launch of eBay International Shipping, a \$28 million increase related to the expansion of authentication services, and a \$12 million increase in customer support costs, partially offset by a \$11 million decrease in payment processing costs incurred and a \$15 million favorable impact of foreign currency movements relative to the U.S. dollar.

Operating Expenses

The following table presents operating expenses for the periods indicated (in millions, except percentages):

	Three Months Ended June 30,			Six Months Ended June 30,

** Not meaningful

Foreign currency movements relative to the U.S. dollar had a favorable impact of \$11 million and \$41 million on operating expenses during the three and six months ended June 30, 2023, respectively, compared to a favorable impact of \$53 million and \$81 million during the same periods in 2022. Hedging activity within operating expenses was immaterial during the three and six months ended June 30, 2023.

Sales and Marketing

Sales and marketing expenses primarily consist of advertising and marketing program costs (both online and offline), employee compensation including stock-based compensation, certain user coupons and rewards, contractor costs, facilities costs and depreciation on equipment. Online marketing expenses represent traffic acquisition costs in various channels such as paid search, affiliates marketing and display advertising. Offline advertising primarily includes brand campaigns and buyer/seller communications.

Sales and marketing expenses were flat during the three months ended June 30, 2023 compared to the same period in 2022 with a \$15 million increase in employee related costs offset by an \$8 million decrease in professional service fees and a \$6 million favorable impact of foreign currency movements relative to the U.S. dollar.

The increase in sales and marketing expenses during the six months ended June 30, 2023 compared to the same period in 2022 was primarily due to a \$41 million increase in employee related costs and a \$37 million increase in advertising and marketing program costs (both online and offline), partially offset by a \$16 million decrease in professional service fees and a \$25 million favorable impact of foreign currency movements relative to the U.S. dollar.

Product Development

Product development expenses primarily consist of employee compensation including stock-based compensation, contractor costs, facilities costs and depreciation on equipment. Product development expenses are net of required capitalization of major platform and other product development efforts, including the development and maintenance of our technology platform. Our top technology priorities include the implementation of our strategic plan including payment intermediation capabilities, improved seller tools and buyer experiences.

The increase in product development expenses during the three and six months ended June 30, 2023 compared to the same periods in 2022 was primarily due to an increase in employee related costs as we continue to innovate and modernize the shopping experience across our platforms powered by intelligent computing at scale.

Capitalized internal use and platform development costs were \$28 million and \$58 million in the three and six months ended June 30, 2023, respectively, compared to \$30 million and \$62 million in the three and six months ended June 30, 2022. These costs are primarily reflected as a cost of net revenues when amortized in future periods.

General and Administrative

General and administrative expenses primarily consist of employee compensation including stock-based compensation, contractor costs, facilities costs, depreciation of equipment, employer payroll taxes on stock-based compensation, legal expenses, restructuring, insurance premiums and other professional service fees. Our legal expenses, including those related to various ongoing legal proceedings, may fluctuate substantially from period to period.

The increase in general and administrative expenses during the three months ended June 30, 2023 compared to the same period in 2022 was primarily due to an \$11 million increase in employee related costs and a \$10 million increase in professional service fees.

The increase in general and administrative expenses during the six months ended June 30, 2023 compared to the same period in 2022 was primarily due to \$41 million of restructuring costs that did not occur in the same period in 2022, a \$28 million increase in employee related costs and a \$20 million increase in professional service fees.

Provision for Transaction Losses

Provision for transaction losses primarily consists of transaction loss expense associated with our buyer protection programs, losses from our managed payments services, fraud and bad debt expense associated with our accounts receivable balance. We expect our provision for transaction losses to fluctuate depending on many factors, including changes to our protection programs and the impact of regulatory changes.

The decrease in provision for transaction losses during the six months ended June 30, 2023 compared to the same period in 2022 was primarily due to \$13 million lower bad debt expense.

Gain (Loss) on Equity Investments and Warrant, Net

Gain (loss) on equity investments and warrant, net primarily consists of gains and losses related to our various types of equity investments, including our equity investments in Adevinta, KakaoBank and Gmarket, and gains and losses due to changes in fair value of the warrant received from Adyen. The following table presents gain (loss) on equity investments and warrant, net for the periods indicated (in millions, except percentages):

** Not meaningful

The change in gain (loss) on equity investments and warrant, net during the three and six months ended June 30, 2023 compared to the same periods in 2022 was primarily driven by the change in the fair value of our equity investments in Adevinta, Gmarket and KakaoBank and the fair value of warrant.

Interest and Other, Net

Interest and other, net primarily consists of interest earned on cash, cash equivalents and investments, as well as foreign exchange transaction gains and losses, gain/loss on acquisitions or disposals and interest expense, consisting of interest charges on any amounts borrowed and commitment fees on unborrowed amounts under our credit agreement and interest expense on our outstanding debt securities and commercial paper, if any. The following table presents interest and other, net for the periods indicated (in millions, except percentages):

	Three Months Ended June 30,			Six Months Ended June 30,		
	2023	2022	% Change	2023	2022	% Change
Interest income	\$ 48	\$ 10	380 %	\$ 90	\$ 18	400 %
Interest expense	(65)	(56)	16 %	(133)	(118)	13 %
Foreign exchange and other	(2)	15	(113)%	(2)	19	(111)%
Total interest and other, net	<u>\$ (19)</u>	<u>\$ (31)</u>	<u>(39)%</u>	<u>\$ (45)</u>	<u>\$ (81)</u>	<u>(44)%</u>
Percentage of net revenues	(1)%	(1)%		(1)%	(2)%	

Interest income increased primarily due to higher yields on corporate debt and government and agency securities in a higher interest rate environment. We expect this trend to continue throughout 2023.

Interest expense increased primarily due to higher rates offset by lower average notional on outstanding debt during 2023. In 2023, we repaid two tranches of senior notes at substantially lower interest rates than the senior

notes that were issued during the fourth quarter of 2022. As a result, we expect continued upward pressure on interest expense throughout 2023.

Income Tax Provision

The following table presents provision (benefit) for income taxes for the periods indicated (in millions, except percentages):

	Three Months Ended June 30,		Six Months Ended June 30,	
	2023	2022	2023	2022
Income tax provision (benefit)	\$ 113	\$ (191)	\$ 274	\$ (501)
Effective tax rate	39.7 %	26.3 %	27.0 %	21.1 %

The increase in our effective tax rate for the three and six months ended June 30, 2023 compared to the same periods in 2022 was primarily due to an increase in reserves for uncertain tax positions relative to total income (loss) from continuing operations before taxes in 2023, offset by the 2022 deduction related to the closure of our marketplace in Turkey.

We are regularly under examination by tax authorities both domestically and internationally. We believe that adequate amounts have been reserved for any adjustments that may ultimately result from these examinations, although there are inherent uncertainties in these examinations. Due to the ongoing tax examinations, it is generally impractical to determine the amount and timing of these adjustments. However, we expect several tax examinations to close within the next twelve months. See "Note 14 — Income Taxes" to the condensed consolidated financial statements included in this report for more information on estimated settlements within the next twelve months.

Non-GAAP Measures of Financial Performance

To supplement our condensed consolidated financial statements presented in accordance with generally accepted accounting principles, we use FX-Neutral net revenues, which are non-GAAP financial measures. Management uses the foregoing non-GAAP measures in reviewing our financial results. We define FX-Neutral net revenues as net revenues minus the exchange rate effect. We define exchange rate effect as the year-over-year impact of foreign currency movements using prior period foreign currency rates applied to current year transactional currency amounts, excluding hedging activity.

These non-GAAP measures are not in accordance with, or an alternative to, measures prepared in accordance with GAAP and may be different from non-GAAP measures used by other companies. In addition, these non-GAAP measures are not based on any comprehensive set of accounting rules or principles. Non-GAAP measures have limitations in that they do not reflect all of the amounts associated with our results of operations as determined in accordance with GAAP. These measures should only be used to evaluate our results of operations in conjunction with the corresponding GAAP measures.

These non-GAAP measures are provided to enhance investors' overall understanding of our current financial performance and prospects for the future. Specifically, we believe these non-GAAP measures provide useful information to both management and investors by excluding the foreign currency exchange rate impact that may not be indicative of our core operating results and business outlook. In addition, because we have historically reported certain non-GAAP results to investors, we believe that the inclusion of these non-GAAP measures provides consistency in our financial reporting.

The following tables present a reconciliation of FX-Neutral GMV and FX-Neutral net revenues (each as defined below) to our reported GMV and net revenues for the periods indicated (in millions, except percentages):

	Three Months Ended June 30,					
	2023			2022	% Change	
	As Reported	Exchange Rate Effect ⁽¹⁾⁽³⁾	FX-Neutral ⁽²⁾	As Reported	As Reported	FX-Neutral
GMV	\$ 18,214	\$ (176)	\$ 18,390	\$ 18,549	(2)%	(1)%
Net Revenues	\$ 2,540	\$ (9)	\$ 2,549	\$ 2,422	5 %	6 %

	Six Months Ended June 30,					
	2023			2022	% Change	
	As Reported	Exchange Rate Effect ⁽¹⁾⁽³⁾	FX-Neutral ⁽²⁾	As Reported	As Reported	FX-Neutral
GMV	\$ 36,624	\$ (780)	\$ 37,404	\$ 37,958	(4)%	(1)%
Net Revenues	\$ 5,050	\$ (54)	\$ 5,104	\$ 4,905	3 %	4 %

(1) We define exchange rate effect as the year-over-year impact of foreign currency movements using prior period foreign currency rates applied to current year transactional currency amounts excluding hedging activity.

(2) We define FX-Neutral GMV as GMV minus the exchange rate effect. We define the non-GAAP financial measures of FX-Neutral net revenues as net revenues minus the exchange rate effect.

(3) Net revenues were net of \$14 million and \$43 million hedging gains during the three and six months ended June 30, 2023 as compared to \$9 million and \$15 million hedging gains during the same periods in 2022.

Liquidity and Capital Resources

Cash Flows

	Six Months Ended June 30,	
	2023	2022
	(In millions)	
Net cash provided by (used in):		
Continuing operating activities	\$ 1,446	\$ 1,206
Continuing investing activities	424	3,764
Continuing financing activities	(1,458)	(4,182)
Effect of exchange rates on cash, cash equivalents and restricted cash	(6)	(57)
Net decrease in cash, cash equivalents and restricted cash - discontinued operations	(4)	(365)
Net increase (decrease) in cash, cash equivalents and restricted cash	\$ 402	\$ 366

Continuing Operating Activities

Our operating cash flows arise primarily from cash received from our customers on our platforms offset by cash payments for sales and marketing, employee compensation and payment processing expenses.

Cash provided by continuing operating activities of \$1,446 million in the six months ended June 30, 2023 compared to cash provided by continuing operating activities of \$1,206 million in the six months ended June 30, 2022 was primarily attributable to working capital movements and changes in non-cash items during the six months ended June 30, 2023 compared to the same period in 2022.

Continuing Investing Activities

Cash provided by continuing investing activities of \$424 million in the six months ended June 30, 2023 was primarily attributable to proceeds of \$8,382 million from the maturities and sales of investments, partially offset by cash paid for investments of \$7,687 million and property and equipment of \$245 million.

The largely offsetting effects of purchases of investments and maturities and sale of investments results from the management of our investments. As our immediate cash needs change, purchase and sale activity will fluctuate.

Continuing Financing Activities

Cash used in continuing financing activities of \$1,458 million in the six months ended June 30, 2023 was primarily attributable to debt repayments of \$1,150 million related to the redemption of our floating rate and 2.750% senior notes due 2023, cash paid to repurchase \$492 million of common stock, and \$267 million paid in cash dividends, partially offset by net funds receivable and payable activity of \$562 million driven by changes in payment processors.

The negative effect of exchange rate movements on cash, cash equivalents and restricted cash was due to the strengthening of the U.S. dollar against other currencies during the six months ended June 30, 2023 and 2022.

Liquidity and Capital Resource Requirements

As of June 30, 2023 and December 31, 2022, we had assets classified as cash and cash equivalents as well as short-term and long-term non-equity investments from continuing operations, in an aggregate amount of \$5.3 billion and \$5.9 billion, respectively. We had an additional \$380 million and \$69 million, respectively, of cash proceeds, related to marketplace activity and held on behalf of customers, which we recorded separately on our condensed consolidated balance sheets as customer accounts and funds receivable. We believe these assets together with cash expected to be generated from operations, borrowings available under our credit agreement and commercial paper program, and our access to capital markets, will be sufficient to satisfy our material cash requirements over the next 12 months and for the foreseeable future.

However, geopolitical events, inflationary pressure, foreign exchange rate volatility and global economic uncertainty have caused material disruptions in both U.S. and international financial markets and economies and are uncertain in duration. The impact of these events has increased, and may continue to increase, our borrowing costs and other costs of capital and otherwise adversely affect our business, results of operations, financial condition and liquidity. The future impact of these events cannot be predicted with certainty and we cannot assure that we will have access to external financing at times and on terms we consider acceptable, or at all, or that we will not experience other liquidity issues going forward.

Senior Notes

In January 2023, we redeemed the \$1.2 billion aggregate principal amount of the floating rate and 2.750% senior notes due 2023. Total cash consideration paid was \$1.2 billion, as the redemption price was equal to 100% of the principal amount. In addition, we paid accrued and unpaid interest on the principal amount.

As of June 30, 2023, we had fixed-rate senior notes outstanding for an aggregate principal amount of \$7.8 billion, with none payable within 12 months. The net proceeds from the issuances of these senior notes are used for general corporate purposes, including, among other things, capital expenditures, share repurchases, repayment of indebtedness and possible acquisitions.

Commercial Paper

We have a commercial paper program pursuant to which we may issue commercial paper notes in an aggregate principal amount at maturity of up to \$1.5 billion outstanding at any time with maturities of up to 397 days from the date of issue. As of June 30, 2023, there were no commercial paper notes outstanding.

Credit Agreement

In March 2020, we entered into a credit agreement that provides for an unsecured \$2 billion five-year credit facility. We may also, subject to the agreement of the applicable lenders, increase commitments under the revolving credit facility by up to \$1 billion. Funds borrowed under the credit agreement may be used for working capital, capital expenditures, acquisitions and other general corporate purposes. As of June 30, 2023, no borrowings were outstanding under our \$2 billion credit agreement.

Credit Ratings

As of June 30, 2023, we were rated investment grade by Standard and Poor's Financial Services, LLC (long-term rated BBB+, short-term rated A-2, with a stable outlook) and Moody's Investor Service (long-term rated Baa1, short-term rated P-2, with a stable outlook). We disclose these ratings to enhance the understanding of our sources of liquidity and the effects of our ratings on our costs of funds. Our borrowing costs depend, in part, on our credit ratings and any actions taken by these credit rating agencies to lower our credit ratings, as described above, will likely increase our borrowing costs.

We were in compliance with all financial covenants in our outstanding debt instruments for the six months ended June 30, 2023. For additional details related to our debt, please see "Note 9 — Debt" to the condensed consolidated financial statements included in this report.

Income Taxes

As of June 30, 2023, our assets classified as cash and cash equivalents as well as short-term and long-term non-equity investments included assets held in certain of our foreign operations totaling approximately \$2.4 billion. As we repatriate these funds to the U.S., we will be required to pay income taxes in certain U.S. states and applicable foreign withholding taxes on those amounts during the period when such repatriation occurs. We have accrued deferred taxes for the tax effect of repatriating the funds to the U.S.

During the first quarter of 2023, the IRS provided tax relief for the California winter storms, as a result, we have deferred our 2023 quarterly federal cash tax payments until the fourth quarter of 2023.

For additional details related to our income taxes, please see “Income Tax Provision” in our Results of Operations above and “Note 14 — Income Taxes” to the condensed consolidated financial statements included in this report.

Stock Repurchases

Our stock repurchase programs are intended to programmatically offset the impact of dilution from our equity compensation programs and, subject to market conditions and other factors, to make opportunistic and programmatic repurchases of our common stock to reduce our outstanding share count. Any share repurchases under our stock repurchase programs will be funded from our working capital or other financing alternatives.

We expect to continue making opportunistic and programmatic repurchases of our common stock, subject to market conditions and other uncertainties. However, our stock repurchase programs may be limited or terminated at any time without prior notice. The timing and actual number of shares repurchased will depend on a variety of factors, including corporate and regulatory requirements, price and other market conditions and management’s determination as to the appropriate use of our cash.

During the six months ended June 30, 2023, we repurchased approximately \$500 million of our common stock under our stock repurchase programs. As of June 30, 2023, a total of approximately \$2.3 billion remained available for future repurchases of our common stock under our stock repurchase programs. See “Note 12 — Stockholders’ Equity” to the condensed consolidated financial statements included in this report for more information about our stock repurchase programs.

Dividends

The Company paid a total of \$133 million and \$121 million in cash dividends during the three months ended June 30, 2023 and 2022, respectively, and \$267 million and \$250 million in cash dividends during the six months ended June 30, 2023 and 2022, respectively. In July 2023, our Board of Directors declared a cash dividend of \$0.25 per share of common stock to be paid on September 15, 2023 to stockholders of record as of September 1, 2023.

Other Capital Resource Requirements

We actively monitor all counterparties that hold our cash and cash equivalents and non-equity investments, focusing primarily on the safety of principal and secondarily on improving yield on these assets. We diversify our cash and cash equivalents and investments among various counterparties in order to reduce our exposure should any one of these counterparties fail or encounter difficulties. To date, we have not experienced any material loss or lack of access to our invested cash, cash equivalents or short-term investments; however, we can provide no assurances that access to our invested cash, cash equivalents or short-term investments will not be impacted by adverse conditions in the financial markets, including, without limitation, as a result of the impact of geopolitical events, inflationary pressure, lower consumer spending and foreign exchange rate volatility. At any point in time we have funds in our operating accounts and customer accounts that are deposited and invested with third party financial institutions.

We have a cash pooling arrangement with a financial institution for cash management purposes. As of June 30, 2023, we had a total of \$175 million in aggregate cash deposits and \$8 million in aggregate cash withdrawals held within the financial institution under the cash pooling arrangement. See “Note 11 — Commitments and Contingencies” to the condensed consolidated financial statements included in this report for more information about our cash pooling arrangement.

We have entered into various indemnification agreements and, in the ordinary course of business, we have included limited indemnification provisions in certain of our agreements with parties with which we have commercial relations. It is not possible to determine the maximum potential loss under these various indemnification provisions due to our limited history of prior indemnification claims and the unique facts and circumstances involved in each particular provision. To date, losses recorded in our consolidated statement of income in connection with our indemnification provisions have not been significant, either individually or collectively. See “Note 11 — Commitments and Contingencies” to the condensed consolidated financial statements included in this report for more information about our indemnification provisions.

Item 3: Quantitative and Qualitative Disclosures About Market Risk***Interest Rate Risk***

We are exposed to interest rate risk relating to our investments and outstanding debt. In addition, adverse economic conditions and events (including volatility or distress in the equity and/or debt or credit markets) may impact regional and global financial markets. These events and conditions could cause us to write down our assets or investments. We seek to reduce earnings volatility that may result from adverse economic conditions and events or changes in interest rates.

The primary objective of our investment activities is to preserve principal while at the same time improving yields without significantly increasing risk. To achieve this objective, we maintain our cash equivalents, customer accounts and short-term and long-term investments in a variety of asset types, including bank deposits, government bonds and corporate debt securities. As of June 30, 2023, approximately 29% of our total cash and investments was held in cash and cash equivalents and customer accounts. As such, changes in interest rates will impact interest income. As discussed below, the fair market values of our fixed rate securities may be adversely affected due to a rise in interest rates, and we may suffer losses in principal if we are forced to sell securities that have declined in market value due to changes in interest rates.

As of June 30, 2023, the balance of our corporate debt and government bond securities was \$3.0 billion, which represented approximately 34% of our total cash and investments. Investments in both fixed-rate and floating-rate interest-earning instruments carry varying degrees of interest rate risk. The fair market value of our fixed-rate investment securities may be adversely impacted due to a rise in interest rates. In general, fixed-rate securities with longer maturities are subject to greater interest rate risk than those with shorter maturities. While floating rate securities generally are subject to less interest rate risk than fixed-rate securities, floating-rate securities may produce less income than expected if interest rates decrease and may also suffer a decline in market value if interest rates increase. Due in part to these factors, our investment income may fall short of expectations or we may suffer losses in principal if we sell securities that have declined in market value due to changes in interest rates. A hypothetical 1% (100 basis point) point increase in interest rates would have resulted in a decrease in the fair value of our investments of \$20 million and \$22 million as of June 30, 2023 and December 31, 2022, respectively.

Further changes in interest rates will impact interest expense on any borrowings under our revolving credit facility, which bear interest at floating rates, and the interest rate on any commercial paper borrowings we make and any debt securities we may issue in the future and, accordingly, will impact interest expense. For additional details related to our debt, see “Note 9 — Debt” to the condensed consolidated financial statements included in this report.

Equity Price Risk***Equity investments***

In 2021, we completed the transfer of our Classifieds business to Adevinta. Upon completion of the transfer we received an equity interest in Adevinta. The equity investment is accounted for under the fair value option and changes in Adevinta's stock price and equity volatility may have a significant impact on the value of our equity investment in Adevinta. As of June 30, 2023, a one dollar change in Adevinta's common stock, holding other factors constant, would increase or decrease the fair value of the investment by approximately \$404 million.

The fair value of our equity investment in KakaoBank is measured based on closing stock price and prevailing foreign exchange rate at each balance sheet date. Valuation of equity investments with readily determinable fair values can be obtained from real time quotes in active markets. Changes in KakaoBank's stock price and equity volatility may have a significant impact on the value of our equity investment in KakaoBank. As of June 30, 2023, a one dollar change in KakaoBank's common stock, holding other factors constant, would increase or decrease the fair value of the investment by approximately \$5 million.

Our remaining equity investments are primarily investments in privately-held companies. Our consolidated results of operations include, as a component of gain (loss) on equity investments and warrant, net, our share of the net income or loss of the equity investments accounted for under the equity method of accounting, or the change in fair value of the equity method investments accounted for under the fair value option. Equity investments without readily determinable fair values are accounted for at cost, less impairment and adjusted for subsequent observable

price changes obtained from orderly transactions for identical or similar investments issued by the same investee. Such changes in the basis of the equity investment are recognized in gain (loss) on equity investments and warrant, net. Equity investments under the fair value option are measured at fair value based on a quarterly valuation analysis and are classified within Level 3 in the fair value hierarchy as the valuation reflects management's estimate of assumptions that market participants would use in pricing the equity investment. Subsequent changes in fair value are recognized in gain (loss) on equity investments and warrant, net.

As of June 30, 2023, our equity investments totaled \$3.3 billion, which represented approximately 37% of our total cash and investments, and primarily related to our equity investment in Adevinta.

For additional details related to these investments, please see "Note 6 — Investments" to our condensed consolidated financial statements included in this report.

Warrant

We entered into a warrant agreement in conjunction with a commercial agreement with Adyen that, subject to meeting certain conditions, entitles us to acquire a fixed number of shares up to 5% of Adyen's fully diluted issued and outstanding share capital at a specific date. As discussed above, in 2021 we met the processing volume milestone target to vest the first tranche of the warrant, and we exercised the option to purchase shares of Adyen. The remaining tranches of the warrant are accounted for as a derivative instrument under ASC Topic 815, *Derivatives and Hedging*. Changes in Adyen's common stock price and equity volatility may have a significant impact on the value of the warrant. As of June 30, 2023, a one dollar change in Adyen's common stock, holding other factors constant, would increase or decrease the fair value of the warrant by approximately \$0.2 million. For additional details related to the warrant, please see "Note 7 — Derivative Instruments" to our condensed consolidated financial statements included in this report.

Foreign Currency Risk

Our commerce platforms operate globally, resulting in certain revenues and costs that are denominated in foreign currencies, primarily the British pound and euro, subjecting us to foreign currency risk, which may adversely impact our financial results. We transact business in various foreign currencies and have significant international revenues as well as costs. In addition, we charge our international subsidiaries for their use of intellectual property and technology and for certain corporate services we provide. Our cash flow and results of operations that are exposed to foreign exchange rate fluctuations may differ materially from expectations and we may record significant gains or losses due to foreign currency fluctuations and related hedging activities.

We have a foreign exchange exposure management program designed to identify material foreign currency exposures, manage these exposures and reduce the potential effects of currency fluctuations on our reported consolidated cash flows and results of operations through the purchase of foreign currency exchange contracts. The effectiveness of the program and resulting usage of foreign exchange derivative contracts is at times limited by our ability to achieve cash flow hedge accounting. For additional details related to our derivative instruments, please see "Note 7 — Derivative Instruments" to our condensed consolidated financial statements included in this report.

We use foreign exchange derivative contracts to help protect our forecasted U.S. dollar-equivalent earnings from adverse changes in foreign currency exchange rates. These hedging contracts reduce, but do not entirely eliminate, the impact of adverse currency exchange rate movements. Most of these contracts are designated as cash flow hedges for accounting purposes. For qualifying cash flow hedges, the derivative's gain or loss is initially reported as a component of accumulated other comprehensive income ("AOCI") and subsequently reclassified into earnings in the same period the forecasted transaction affects earnings. For contracts not designated as cash flow hedges for accounting purposes, the derivative's gain or loss is recognized immediately in earnings in our consolidated statement of income. However, only certain revenue and costs are eligible for cash flow hedge accounting.

The following table illustrates the fair values of outstanding foreign exchange contracts designated as cash flow hedges and foreign exchange contracts not designated for hedge accounting and the before-tax effect on fair values of a hypothetical adverse change in the foreign exchange rates that existed as of June 30, 2023. The sensitivity for foreign currency contracts is based on a 20% adverse change in foreign exchange rates, against relevant functional currencies.

	Fair Value		Fair Value Sensitivity	
	Asset/(Liability)		(In millions)	
Foreign exchange contracts - Cash flow hedges	\$	32	\$	(103)
Foreign exchange contracts - Not designated for hedge accounting	\$	7	\$	(117)

Since our risk management programs are highly effective, the potential loss in value described above would be largely offset by changes in the value of the underlying exposure.

We also use foreign exchange contracts to offset the foreign exchange risk on our assets and liabilities denominated in currencies other than the functional currency of our subsidiaries. These contracts reduce, but do not entirely eliminate, the impact of currency exchange rate movements on our assets and liabilities. The foreign currency gains and losses on the assets and liabilities are recorded in interest and other, net, which are offset by the gains and losses on the foreign exchange contracts.

We considered the historical trends in currency exchange rates and determined that it was reasonably possible that adverse changes in exchange rates of 20% for all currencies could be experienced in the near term. These changes would have resulted in an adverse impact on income before income taxes of approximately \$11 million as of June 30, 2023 taking into consideration the offsetting effect of foreign exchange forwards in place as of June 30, 2023.

Item 4: Controls and Procedures

(a) *Evaluation of disclosure controls and procedures.* Based on the evaluation of our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended, or the Exchange Act) required by Exchange Act Rules 13a-15(b) or 15d-15(b), our principal executive officer and our principal financial officer have concluded that our disclosure controls and procedures were effective as of June 30, 2023.

(b) *Changes in internal controls.* There were no changes in our internal control over financial reporting as defined in Exchange Act Rules 13a-15(f) that occurred during our most recently completed fiscal quarter that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II: OTHER INFORMATION

Item 1: Legal Proceedings

The information set forth under “Note 11 — Commitments and Contingencies — Litigation and Other Legal Matters” to the condensed consolidated financial statements included in Part I, Item 1 of this Quarterly Report on Form 10-Q is incorporated herein by reference.

Item 1A: Risk Factors

Risk Factors:

We are subject to various risks and uncertainties that may affect our business, results of operations and financial condition including not limited to, those described in Part I, Item 1A, Risk Factors in our Annual Report on Form 10-K for the year ended December 31, 2022 (“2022 Form 10-K”). Current global economic and geopolitical events and conditions may amplify many of these risks. These risks are not the only risks that may affect us. Additional risks that we are not aware of or do not believe are material at the time of this filing may also become important factors that adversely affect our business. There have been no material changes to the Company’s risk factors since the 2022 Form 10-K.

Item 2: Unregistered Sales of Equity Securities and Use of Proceeds

Stock repurchase activity during the three months ended June 30, 2023 was as follows:

Period Ended	Total Number of Shares Purchased	Average Price Paid per Share ⁽²⁾	Total Number of Shares Purchased as Part of Publicly Announced Programs	Maximum Dollar Value that May Yet be Purchased Under the Programs ⁽¹⁾

(1) Our stock repurchase programs are intended to programmatically offset the impact of dilution from our equity compensation programs and, subject to market conditions and other factors, to make opportunistic and programmatic repurchases of our common stock to reduce our outstanding share count. Any share repurchases under our stock repurchase programs may be made through open market transactions, block trades, privately negotiated transactions (including accelerated share repurchase transactions) or other means at times and in such amounts as management deems appropriate and will be funded from our working capital or other financing alternatives. These stock repurchase programs have no expiration from the date of authorization.

During the three months ended June 30, 2023, we repurchased approximately \$250 million of our common stock under our stock repurchase programs. As of June 30, 2023, a total of approximately \$2.3 billion remained available for future repurchases of our common stock under our stock repurchase programs.

We expect, subject to market conditions and other uncertainties, to continue making opportunistic and programmatic repurchases of our common stock. However, our stock repurchase programs may be limited or terminated at any time without prior notice. The timing and actual number of shares repurchased will depend on a variety of factors, including corporate and regulatory requirements, price and other market conditions and management's determination as to the appropriate use of our cash.

(2) Excludes broker commissions and excise tax accruals.

Item 3: Defaults Upon Senior Securities

Item 4: Mine Safety Disclosures

For purposes of this disclosure, without subtracting any shares to be withheld upon future vesting events, the aggregate number of shares to be sold pursuant to Mr. Garcia's 10b5-1 Plan is 18,476.

On May 16, 2023, Cornelius Boone, our Senior Vice President, Chief People Officer, adopted a 10b5-1 Plan, which is designed to be in effect until December 29, 2023, subject to customary exceptions. 1.06 Interest Rates; ~~LIBOR~~ Benchmark Notification The interest rate on a Loan denominated in U.S. Dollars or any Foreign Currency may be derived from an interest rate benchmark that is, or may in the future become, the subject of regulatory reform. ~~Regulators have signaled the need to use alternative benchmark reference rates for some of these interest rate benchmarks and, as a result, such interest rate benchmarks may cease to comply with applicable Laws, may be permanently discontinued, and/or the basis on which they are calculated may change.~~ The London interbank offered rate is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. In July 2017, the U.K. Financial Conduct Authority announced that, after the end of 2021, it would no longer persuade or compel contributing banks to make rate submissions to the ICE Benchmark Administration (together with any successor to the ICE Benchmark Administrator, the “IBA”) for purposes of the IBA setting the London interbank offered rate. As a result, it is possible that commencing in 2022, the London interbank offered rate may no longer be available or may no longer be deemed an appropriate reference rate upon which to determine the interest rate on LIBOR Loans. In light of this eventuality, public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of the London interbank offered rate. Upon the occurrence of a Benchmark Transition Event ~~or an Early Opt-In Election~~, Section 3.03(b) provides a mechanism for determining an alternative rate of interest. The ~~Administrative Agent will promptly notify the Borrower, pursuant to Section 3.03(b), of any change to the reference rate upon which the interest rate on Eurocurrency Rate Loans is based. However, the~~ Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to ~~the London interbank offered rate or the other rates in the definition of “LIBO Rate” or “EURIBO Rate”~~ any interest rate used in this Agreement or with respect to any alternative or successor rate thereto, or replacement rate thereof, (including, ~~without limitation, (i) any such alternative, successor or replacement rate implemented pursuant to Section 3.03(b), whether upon the occurrence of a Benchmark Transition Event or an Early Opt-In Election, and (ii) the implementation of any Benchmark Replacement~~ Conforming Changes pursuant to Section 3.03(b)), including, without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the ~~LIBO Rate or the EURIBO Rate~~ existing interest rate being replaced or have the same volume or liquidity as did ~~the London interbank offered~~ any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its Affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower,

any Lender or any other Person for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

1.07 Divisions For all purposes under this Agreement, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized and acquired on the first date of its existence by the holders of its capital stock or similar equity interests at such time.

Each Committed Loan Notice shall specify (i) whether the Borrower or the applicable Designated Borrower is requesting a borrowing of Loans, a conversion of any Loan denominated in U.S. Dollars from one Type to the other, or a continuation of any ~~Eurocurrency-Rate~~Term Benchmark Loan, (ii) the requested date of the Borrowing (which shall be a Business Day), (iii) the aggregate principal amount and currency of the requested Borrowing, (iv) whether such Borrowing is to be an ABR Borrowing, a ~~LIBOR~~Term SOFR Borrowing, a Daily Simple SONIA Borrowing or a EURIBOR Borrowing and (v) if applicable, the duration of the Interest Period with respect thereto. The Borrower or the applicable Designated Borrower may elect different conversion or continuation options with respect to different portions of the affected existing Borrowing (and all references herein to conversion or continuation of a Borrowing shall be understood to include any such election of different options with respect thereto), in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. If the Borrower or the applicable Designated Borrower fails to specify a Type of requested Loan in a Committed Loan Notice or if the Borrower or such Designated Borrower fails to give a timely notice requesting a conversion or continuation of any ~~Eurocurrency-Rate~~Term Benchmark Borrowing, then (A) in the case of a Borrowing denominated in U.S. Dollars, the applicable Loans shall be made as, or at the end of the Interest Period applicable to such Borrowing be converted to, ABR Loans ~~and~~, (B) in the case of a Borrowing denominated in ~~a Foreign Currency~~Euros, the applicable Loans shall be made as, or at the end of the Interest Period applicable to such Borrowing be continued as, ~~Eurocurrency-Rate~~EURIBO Loans ~~of the applicable Type~~ with an Interest Period of one month and (C) in the case of a Borrowing denominated in Pounds Sterling, the applicable Loans shall be made as Daily Simple SONIA Loans. If the Borrower or a Designated Borrower requests a borrowing of, conversion to, or continuation of ~~Eurocurrency-Rate~~Term Benchmark Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month. No Loan may be converted into or

continued as (x) a Loan denominated in a different currency or (y) a Loan of a Type not available for the currency in which such Loan is denominated.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the details thereof and, in the case of a Committed Loan Notice requesting a borrowing of Loans, of its Applicable Percentage of the applicable Loans. If no timely Committed Loan Notice with respect to a conversion or continuation of any ~~Eurocurrency Rate~~ Term Benchmark Loan is provided by the Borrower or the applicable Designated Borrower, the Administrative Agent shall notify each Lender of the details of any automatic conversion to ABR Loans of Loans denominated in U.S. Dollars or continuation of Loans denominated in ~~a Foreign Currency~~ Euros, in each case, as described in Section 2.02(a). In the case of a borrowing of Loans, each Lender shall make the amount of its Loan available to the Administrative Agent in immediately available funds at the Administrative Agent's Office on the Business Day specified in the applicable Committed Loan Notice not later than 2:00 p.m. Local Time (or, in the case of an ABR Borrowing the Committed Loan Notice for which shall be delivered after 12:00 noon Local Time, not later than two hours after the delivery of such Committed Loan Notice). The Administrative Agent shall make all funds so received available to the Borrower or the applicable Designated Borrower, as applicable, in like funds as received by the Administrative Agent, either by (i) crediting the account of the Borrower or such Designated Borrower, as applicable, on the books of the Administrative Agent with the amount of such funds or (ii) wire transfer of such funds, in each case, in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower or such Designated Borrower.

(c) Except as otherwise provided herein, a ~~Eurocurrency Rate~~ Term Benchmark Loan may be continued or converted only on the last day of an Interest Period for such ~~Eurocurrency Rate~~ Term Benchmark Loan. During the existence of a Default, (i) no Loans denominated in U.S. Dollars may be requested as, converted to or continued as ~~LIBOR~~ SOFR Loans and (ii) no Loans denominated in ~~a Foreign Currency~~ Euros may be ~~converted to or~~ continued as EURIBOR Loans having an Interest Period of more than one month, in each case, without the consent of the Required Lenders.

(d) The Administrative Agent shall promptly notify the Borrower or the applicable Designated Borrower, as applicable, and the Lenders of the interest rate applicable to any Interest Period for ~~Eurocurrency Rate~~ Term Benchmark Loans upon determination of such interest rate.

(e) After giving effect to all borrowings of Loans, all conversions of Loans from one Type to the other, and all continuations of Loans as the same Type, there shall not be more than a total of 10 ~~Interest Periods in effect with respect to Loans~~ Term Benchmark Borrowings and RFR Borrowings outstanding.

2.03 Prepayments.

(a) The Borrower or a Designated Borrower may, upon notice to the Administrative Agent, at any time or from time to time voluntarily prepay any Borrowing in whole or in part without premium or penalty; provided that (i) such notice must be received by the Administrative Agent not later than 12:00 noon Local Time (A) three (3) Business Days prior to any date of

prepayment of ~~Eurocurrency Rate~~ Term Benchmark Loans, (B) five (5) RFR Business Days prior to any date of prepayment of RFR Loans and ~~(B)~~ (C) on the date of prepayment of ABR Loans and (ii) any prepayment of any Borrowing denominated in any currency shall be in a principal amount equal to the Borrowing Minimum for such currency or a whole multiple of the Borrowing Multiple for such currency in excess thereof or, in each case, if less, the entire principal amount of such Borrowing then outstanding. Each such notice shall specify the date and amount of such prepayment and the Borrowing or Borrowings to be prepaid. The Administrative Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender's Applicable Percentage of such prepayment. If such notice is given by the Borrower or a Designated Borrower, the Borrower or such Designated Borrower, as applicable, shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein; provided that, subject to Section 3.05, a notice of prepayment delivered by the Borrower or a Designated Borrower may state that such notice is conditioned upon the occurrence of one or more events specified therein, in which case such notice may be revoked by such Borrower or Designated Borrower (by notice to the Administrative Agent on or prior to the specified prepayment date) if such condition is not satisfied. Any prepayment of a ~~Eurocurrency Rate~~ Term Benchmark Loan shall be accompanied by all accrued interest on the amount prepaid. Each prepayment of a Borrowing shall be applied to the applicable Loans of the Lenders in accordance with their respective Applicable Percentages.

(b) If at any time, (i) other than as a result of fluctuations in currency exchange rates, the Total Outstandings (calculated, with respect to Loans denominated in Foreign Currencies, as of the most recent Computation Date with respect to each such Loan) exceed the Aggregate Commitments or (ii) solely as a result of fluctuations in currency exchange rates, the Total Outstandings (as so calculated) exceed 105% of the Aggregate Commitments, the Borrower and/or the Designated Borrowers shall immediately repay Borrowings in an aggregate principal amount sufficient to cause the Total Outstandings (as so calculated) to be less than or equal to the Aggregate Commitments.

2.04 Termination or Reduction of Commitments. The Borrower may, upon notice to the Administrative Agent, terminate the Aggregate Commitments, or from time to time permanently reduce the Aggregate Commitments; provided that (a) any such notice shall be received by the Administrative Agent not later than 12:00 noon Pacific Time three (3) Business Days prior to the date of termination or reduction, (b) any such partial reduction shall be in an aggregate amount of US\$5,000,000 or any whole multiple of US\$1,000,000 in excess thereof, and (c) the Borrower shall not terminate or reduce the Aggregate Commitments if, after giving effect thereto and to any concurrent prepayments hereunder, the Total Outstandings would exceed the Aggregate Commitments. Each notice delivered by the Borrower pursuant to this Section 2.04 shall be irrevocable; provided that any such notice may state that such notice is conditioned upon the occurrence of one or more events specified therein, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified date of termination or reduction) if such condition is not satisfied. The Administrative Agent will promptly notify the Lenders of any such notice of termination or reduction of the Aggregate Commitments. Any reduction of the Aggregate Commitments shall be applied to the Commitment of each Lender according to its Applicable Percentage. All unpaid Commitment Fees accrued until the effective date of any termination or reduction of the Aggregate

Commitments (in the case of any reduction, in respect of the aggregate amount of the Commitments subject to such reduction) shall be paid on the effective date of such termination or reduction. Unless previously terminated, the Aggregate Commitments shall automatically terminate at 5:00 p.m. New York City time on the Maturity Date. Any termination or reduction of the Commitments shall be permanent.

2.05 Repayment of Loans. Each of the Borrower and the Designated Borrowers shall repay to the Lenders on the Maturity Date the aggregate principal amount of Loans outstanding to it on such date.

2.06 Interest.

(a) Subject to the provisions of Section 2.06(b), (i) each ~~LIBOR~~Term SOFR Loan ~~denominated in U.S. Dollars~~ shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Adjusted ~~LIBO Rate~~Term SOFR for such Interest Period plus the Applicable Rate, (ii) each ~~LIBOR~~Daily Simple SONIA Loan ~~denominated in Pounds Sterling~~ shall bear interest on the outstanding principal amount thereof ~~for each Interest Period from the applicable borrowing date~~ at a rate per annum equal to the ~~LIBO Rate for such Interest Period~~Daily Simple SONIA plus the Applicable Rate, (iii) each EURIBOR Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the EURIBO Rate for such Interest Period plus the Applicable Rate, and (iv) each ABR Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing or conversion date at a rate per annum equal to the ABR plus the Applicable Rate.

(b) If any amount of principal of any Loan is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws.

(i) If any amount (other than principal of any Loan) payable by the Borrower or a Designated Borrower under any Loan Document is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, then upon the request of the Required Lenders, such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws.

(ii) While any Event of Default under Section 8.01(f) exists, each of the Borrower and the Designated Borrowers shall pay interest on the principal amount of all outstanding Obligations owing by it hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws.

(iii) Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder

shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

2.07 Fees.

(a) Commitment Fee. The Borrower shall pay to the Administrative Agent, for the account of each Lender, a commitment fee (the "Commitment Fee") equal to the Applicable Rate ~~times~~ the actual daily amount by which the Commitment of such Lender exceeds such Lender's Outstanding Amount. The Commitment Fee shall accrue at all times during the Availability Period, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the Closing Date, and ending on the last day of the Availability Period. The Commitment Fee shall be calculated quarterly in arrears, and if there is any change in the Applicable Rate during any quarter, the actual daily amount shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(b) Other Fees. (i) The Borrower agrees to pay to the Administrative Agent the fees in the amounts and on the dates set forth in any fee agreements with the Administrative Agent and to perform any other obligations contained therein.

(ii) The Borrower shall pay to the Lenders such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified.

(c) Fees Generally. All fees payable hereunder shall be paid on the dates due, in U.S. Dollars, in immediately available funds, to the Administrative Agent for distribution, in the case of Commitment Fees, to the Lenders. Fees paid shall not be refundable under any circumstances.

2.08 -Computation of Interest and Fees. All computations of interest for ABR Loans, when the ABR is determined by reference to the Prime Rate, and for Daily Simple SONIA Loans shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed (including the first day but excluding the last day). ~~All computations of interest for Borrowings denominated in Pounds Sterling shall be computed on the basis of a year of 365 days, and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).~~ All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (including the first day but excluding the last day) (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is repaid, provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.10(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error. Any change in the interest rate on a Loan resulting from a change in the ABR shall become effective as of the opening of business on the day on which such change becomes effective. The Administrative Agent shall promptly notify the Borrower or the applicable

Designated Borrower, as applicable, and the relevant Lenders of the effective date and the amount of each such change in interest rate.

2.09 Evidence of Debt. The Loans made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and by the Administrative Agent in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive absent manifest error of the amount of the Loans made by the Lenders to the Borrower or a Designated Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of any of the Borrower and the Designated Borrowers hereunder to pay any amounts owing by them with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, each of the Borrower and the Designated Borrowers shall execute and deliver to such Lender (through the Administrative Agent) a Note, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), currency, amount and maturity of its Loans and payments with respect thereto.

2.10 Payments Generally; Administrative Agent's Clawback.

(a) General. All payments to be made by the Borrower or a Designated Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by each of the Borrower and the Designated Borrowers hereunder shall be made to the Administrative Agent, for the account of the Lenders to which such payment is owed, at the Administrative Agent's Office and in immediately available funds not later than 2:00 p.m. Local Time on the date specified herein; provided that payments pursuant to Sections 2.07(b)(i), 3.01, 3.04, 3.05 and 11.04 shall be made directly to the Persons entitled thereto. The Administrative Agent will promptly distribute to each Lender its applicable share of each payment received for the accounts of the Lenders in like funds as received by wire transfer to such Lender's Lending Office (and if at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds as are received shall be applied towards payment of the amounts then due hereunder ratably among the parties entitled thereto, in accordance with the amounts then due to such parties). All payments received by the Administrative Agent after 2:00 p.m. Local Time shall be deemed received on the next Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrower or a Designated Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, except as otherwise set forth in the definition of "Interest Period" or "Maturity Date", and such extension of time shall be reflected in computing interest or fees, as the case may be. All payments hereunder of principal or interest in respect of any Loan shall, except as otherwise expressly provided herein, be made in the currency of such Loan, and all other payments hereunder and under each other Loan Document shall be made in U.S. Dollars. Notwithstanding the foregoing provisions of this Section, if, after the making of any Borrowing in any Foreign Currency, currency control or exchange regulations are imposed in the country which issues such Foreign Currency with the result that such Foreign

Currency no longer exists or the Borrower or the applicable Designated Borrower, as the case may be, is not able to make payment to the Administrative Agent for the account of the Lenders in such Foreign Currency, then all payments to be made by the Borrower or such Designated Borrower hereunder in such Foreign Currency shall instead be made when due in a currency that replaced such Foreign Currency or, if no such replacement currency exists, in U.S. Dollars in an amount equal to the Dollar Amount (as of the date of repayment) of such payment due, it being the intention of the parties hereto that the Borrower or such Designated Borrower takes all risks of the imposition of any such currency control or exchange regulations.

(b) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 and may, in reliance upon such assumption, make available to the Borrower or the applicable Designated Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower or the applicable Designated Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrower or such Designated Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of a payment to be made by such Lender, the rate determined by the Administrative Agent in accordance with banking industry rules and conventions on interbank compensation (or, if such payment is in U.S. Dollars, if greater, the NYFRB Rate), plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing, and (ii) in the case of a payment to be made by the Borrower or such Designated Borrower, the interest rate applicable to the applicable Loan or, if such payment is in U.S. Dollars, ABR Loans. If the Borrower or such Designated Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower or such Designated Borrower the amount of such interest paid by it for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower or a Designated Borrower shall be without prejudice to any claim the Borrower or such Designated Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent. A notice of the Administrative Agent to any Lender, the Borrower or any Designated Borrower with respect to any amount owing under this clause (b) shall be conclusive, absent manifest error.

(c) Payments by Borrower or any Designated Borrower; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower or the applicable Designated Borrower, as applicable, prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower or such Designated Borrower will not make such payment, the Administrative Agent may assume that the Borrower or such Designated Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrower or such Designated Borrower has not in fact

made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the rate determined by the Administrative Agent in accordance with banking industry rules and conventions on interbank compensation (or, if such payment is in U.S. Dollars, if greater, the NYFRB Rate), plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing. Any payment by any Lender pursuant to this clause (c) shall be without prejudice to any claim such Lender or the Administrative Agent may have against the Borrower or the applicable Designated Borrower, as applicable, for having failed to make such payment to the Administrative Agent. A notice of the Administrative Agent to any Lender, the Borrower or any Designated Borrower with respect to any amount owing under this clause (c) shall be conclusive, absent manifest error.

(d) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower or the applicable Designated Borrower, as applicable, by the Administrative Agent because the conditions to the applicable Borrowings set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender within one Business Day, without interest.

(e) Obligations of Lenders Several. The obligations of the Lenders hereunder are several and not joint. The failure of any Lender to make any Loan, to make any payment under Section 11.04(c) or 11.05 or to purchase any participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 11.04(c) or 11.05.

(f) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

2.11 Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of the Loans made by it resulting in such Lender receiving payment of a proportion of the aggregate amount of such Loans and accrued interest thereon greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact and (b) purchase (for cash at face value) participations in the Loans of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans, provided that: (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and (ii) the provisions of this Section 2.11 shall not be construed to apply to (x) any payment made by the Borrower or any Designated Borrower

pursuant to and in accordance with the express terms of this Agreement (for the avoidance of doubt, as in effect from time to time), including payments pursuant to Sections 2.12 and 3.02, or
(y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Borrower or any Subsidiary thereof (as to which the provisions of this Section 2.11 shall apply). Each of the Borrower and the Designated Borrowers consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower and such Designated Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower or such Designated Borrower in the amount of such participation.

2.12 Extension of Maturity Date.

(a) Requests for Extension. The Borrower may, by notice to the Administrative Agent (which shall promptly notify the Lenders) not earlier than 90 days and not later than 30 days prior to any anniversary of the Closing Date (each a “Relevant Anniversary Date”), but on not more than two occasions during the term of this Agreement, request that each Lender consent to the extension of the Maturity Date for an additional year from the Maturity Date then in effect hereunder (the “Existing Maturity Date”).

(b) Lender Elections to Extend. Each Lender, acting in its sole and individual discretion, shall, by notice to the Administrative Agent given not later than 20 days after receipt of the Borrower’s request pursuant to Section 2.12(a) (the “Extension Lender Response Date”), advise the Administrative Agent whether or not such Lender agrees to the requested extension; provided that any Lender that does not so advise the Administrative Agent on or before the Extension Lender Response Date shall be deemed to have advised the Administrative Agent that it has declined to agree to the requested extension (each Lender that agrees to the requested extension being referred as an “Extending Lender”, and each Lender that does not or is deemed not to agree to the requested extension being referred to as a “Non-Extending Lender”). The election of any Lender to agree to such extension shall not obligate any other Lender to so agree.

(c) Notification by Administrative Agent. The Administrative Agent shall notify the Borrower of each Lender’s determination (or deemed determination) under this Section 2.12 promptly after the Extension Lender Response Date.

(d) Additional Commitment Lenders. The Borrower shall have the right on or before the Existing Maturity Date to replace each Non-Extending Lender with, and add as “Lenders” under this Agreement in place thereof, one or more Eligible Assignees (each, an “Additional Commitment Lender”) as provided in Section 11.13, each of which Additional Commitment Lenders shall have entered into an Assignment and Assumption pursuant to which such Additional Commitment Lender shall undertake all or a portion of the Commitment of such Non-Extending Lender (and, if any such Additional Commitment Lender is already a Lender, the Commitment so undertaken shall be in addition to such Lender’s original Commitment hereunder).

(e) Minimum Extension Requirement. If (and only if) the total of the Commitments of the Lenders that have agreed so to extend their Maturity Date and the additional Commitments of the Additional Commitment Lenders shall be more than 50% of the aggregate amount of the Commitments in effect immediately prior to the Relevant Anniversary Date, then, effective as of the Relevant Anniversary Date, the Maturity Date applicable to each Extending Lender and of each Additional Commitment Lender (but not any Non-Extending Lender) shall be extended to the first anniversary of the Existing Maturity Date (except that, if such date is not a Business Day, such Maturity Date as so extended shall be the immediately preceding Business Day) and each Additional Commitment Lender shall thereupon become a “Lender” for all purposes of this Agreement.

(f) Conditions to Effectiveness of Extensions. As a condition precedent to the effectiveness of any extension of the Maturity Date pursuant to this Section 2.12, the Borrower shall deliver to the Administrative Agent a certificate dated as of the effective date of such extension signed by a Responsible Officer (i) certifying and attaching the resolutions adopted by the Borrower approving or consenting to such extension and (ii) certifying that, before and after giving effect to such extension, (A) the representations and warranties contained in Article V and the other Loan Documents that are qualified by materiality shall be true and correct on and as of the date of such extension and after giving effect thereto, and such representations and warranties that are not qualified by materiality shall be true and correct in all material respects on and as of the effective date of such extension, except, in each case, to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct in all material respects as of such earlier date (provided that such materiality qualifier shall not be applicable to any representation or warranty that already is qualified or modified by materiality in the text thereof), and except that for purposes of this Section 2.12(f), the representations and warranties contained in clauses (a) and (b) of Section 5.05 shall, after the first delivery of financial statements pursuant to clauses (a) and (b), respectively, of Section 6.01, be deemed to refer to the most recent financial statements so delivered, and (B) no Event of Default exists.

(g) Non-Extending Lenders. On the Maturity Date applicable to each Non-Extending Lender that has not been replaced as provided in Section 2.12(d), the Commitment of such Non-Extending Lender shall terminate and each of the Borrower and the Designated Borrowers shall repay all Loans of such Non-Extending Lender outstanding to it on such date, together with accrued interest thereon and all Commitment Fees accrued hereunder for the account of such Non-Extending Lender.

(h) Permitted Amendments; Conflicting Provisions. In connection with effecting the extension requested pursuant to this Section 2.12, the Administrative Agent and the Borrower may, without the consent of any Lender other than the Extending Lenders and the applicable Additional Commitment Lenders, effect such amendments to this Agreement as may be necessary or appropriate, in the opinion of the Administrative Agent, to give effect to the provisions of this Section 2.12. This Section 2.12 shall supersede any provisions in Section 2.11 or 11.01 to the contrary.

2.13 Increase in Commitments.

(a) Request for Increase. Provided there exists no Default, upon notice to the Administrative Agent (which shall promptly notify the Lenders), the Borrower may from time to time request an increase in the Commitments by an aggregate amount (for all such requests) not exceeding US\$1,000,000,000; provided that (i) any such request for an increase shall be in a minimum amount of US\$50,000,000 and (ii) the Borrower may make a maximum of five such requests. At the time of sending such notice, the Borrower (in consultation with the Administrative Agent) shall specify the time period within which each Lender is requested to respond (which shall in no event be less than 10 Business Days from the date of delivery of such notice to the Lenders).

(b) Lender Elections to Increase. Each Lender shall notify the Administrative Agent within such time period whether or not it agrees to increase its Commitment and, if so, whether by an amount equal to, greater than, or less than its Applicable Percentage of such requested increase. Any Lender not responding within such time period shall be deemed to have declined to increase its Commitment.

(c) Notification by Administrative Agent; Additional Lenders. The Administrative Agent shall notify the Borrower and each Lender of the Lenders' responses to each request made hereunder. To achieve the full amount of a requested increase and subject to the approval of the Administrative Agent (which approval shall not be unreasonably withheld), the Borrower may also invite additional Eligible Assignees to become Lenders pursuant to a joinder agreement in form and substance satisfactory to the Administrative Agent and its counsel.

(d) Increase Effective Date and Allocations. If the Commitments are increased in accordance with this Section 2.13, the Administrative Agent and the Borrower shall determine the effective date (the "Increase Effective Date") and the final allocation of such increase among the Lenders. The Administrative Agent shall promptly notify the Borrower and the Lenders of the final allocation of such increase and the Increase Effective Date.

(e) Conditions to Effectiveness of Increase. As a condition precedent to such increase, the Borrower shall deliver to the Administrative Agent a certificate dated as of the Increase Effective Date signed by a Responsible Officer (i) certifying and attaching the resolutions adopted by the Borrower approving or consenting to such increase and (ii) certifying that, before and after giving effect to such increase, (A) the representations and warranties contained in Article V and the other Loan Documents that are qualified by materiality shall be true and correct on and as of the Increase Effective Date, and such representations and warranties that are not qualified by materiality shall be true and correct in all material respects on and as of the Increase Effective Date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct in all material respects as of such earlier date (provided that such materiality qualifier shall not be applicable to any representation or warranty that already is qualified or modified by materiality in the text thereof), and except that for purposes of this Section 2.13(e), the representations and warranties contained in clauses (a) and (b) of Section 5.05 shall, after the first delivery of financial statements pursuant to clauses (a) and (b), respectively, of Section 6.01, be deemed to refer to the most recent financial statements so delivered, and (B) no Event of Default exists. The Borrower

and the Designated Borrowers shall prepay any Loans outstanding on the Increase Effective Date (and pay any additional amounts required pursuant to Section 3.05) to the extent necessary to keep the outstanding Loans ratable with any revised Applicable Percentages arising from any nonratable increase in the Commitments under this Section 2.13.

(f) Conflicting Provisions. This Section 2.13 shall supersede any provisions in Section 2.11 or 11.01 to the contrary.

2.14 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) Commitment Fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.07(a); and

(b) the Commitment and Outstanding Amounts of such Defaulting Lender shall not be included in determining whether the Required Lenders or other requisite Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 11.01); provided that any amendment, waiver or other modification requiring the consent of all Lenders or all Lenders affected thereby shall, except as otherwise provided in Section 11.01, require the consent of such Defaulting Lender in accordance with the terms hereof.

In the event that the Administrative Agent and the Borrower agree that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then on such date such Lender shall purchase at par such of the Loans of the other Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Applicable Percentage, whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to Commitment Fees that did not accrue for the account of such Lender while it was a Defaulting Lender, and all amendments, waivers and other modifications effected without its consent in accordance with the provisions of Section 11.01 and this Section 2.14 during such period shall be binding on it.

2.15 Determination of Dollar Amounts. The Administrative Agent will determine the Dollar Amount of each Borrowing denominated in a Foreign Currency:

(a) as of the date of the commencement of the initial Interest Period therefor and as of the date of the commencement of each subsequent Interest Period therefor; and

(b) during the continuation of an Event of Default, on any other Business Day elected by the Administrative Agent in its discretion or upon instruction by the Required Lenders.

Each day upon or as of which the Administrative Agent determines Dollar Amounts as described in the preceding clauses (a) and (b) is herein described as a "Computation Date" with respect to each Borrowing for which a Dollar Amount is determined on or as of such day.

2.16 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due from the Borrower or a Designated Borrower hereunder in the currency expressed to be payable herein (the “specified currency”) into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which the Administrative Agent could, in accordance with normal banking procedures applicable to arm’s length transactions, purchase the specified currency with such other currency at the Administrative Agent’s main New York City office on the Business Day immediately preceding that on which final, non-appealable judgment is given. The obligations of the Borrower or the applicable Designated Borrower in respect of any sum due to any Credit Party hereunder shall, notwithstanding any judgment in a currency other than the specified currency, be discharged only to the extent that on the Business Day following receipt by such Credit Party of any sum adjudged to be so due in such other currency such Credit Party may in accordance with normal, reasonable banking procedures purchase the specified currency with such other currency. If the amount of the specified currency so purchased is less than the sum originally due to such Credit Party in the specified currency, the Borrower or the applicable Designated Borrower, as applicable, agrees, to the fullest extent that it may effectively do so, as a separate obligation and notwithstanding any such judgment, to indemnify such Credit Party against such loss, and if the amount of the specified currency so purchased exceeds (a) the sum originally due to any Credit Party in the specified currency and (b) any amounts shared with other Lenders as a result of allocations of such excess as a disproportionate payment to such Lender under Section 2.11, such Credit Party agrees to remit such excess to the Borrower or such Designated Borrower.

2.17 Appointment of Borrower as Agent. Each of the Designated Borrowers hereby (a) appoints the Borrower to act as its agent for all purposes of this Agreement and the other Loan Documents, including the giving and receipt of notices (including any Committed Loan Notice) and the execution and delivery of all documents, instruments and certificates contemplated hereby or by any other Loan Document, including any amendment, waiver or other modification to this Agreement or any other Loan Document, and (b) agrees that (i) the Borrower may execute such notices, documents, instruments and certificates on behalf of such Designated Borrower as the Borrower deems appropriate in its sole discretion and such Designated Borrower shall be obligated by all of the terms of any such notice document, instrument or certificate executed on its behalf, (ii) any notice or communication delivered by the Administrative Agent or a Lender to the Borrower shall be deemed delivered to each Designated Borrower and (iii) the Administrative Agent and the Lenders may accept, and be permitted to rely on, any notice, document, instrument, certificate executed by the Borrower on behalf of any of the Designated Borrowers.

ARTICLE III. TAXES, YIELD PROTECTION AND ILLEGALITY

3.01 Taxes

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower or a Designated Borrower hereunder or under any other Loan Document shall be made free and clear of and without reduction or withholding for any Taxes, except as required by applicable Law, provided that if the Borrower or such Designated Borrower shall be required by applicable Law to deduct or withhold any Indemnified Taxes

(including any Other Taxes) from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) or withholdings, the Administrative Agent or the applicable Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the Borrower or such Designated Borrower shall make such deductions or withholdings and (iii) the Borrower or such Designated Borrower shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Law.

(b) Payment of Other Taxes by the Borrower or any Designated Borrower. Without limiting the provisions of clause (a) above, the Borrower or the applicable Designated Borrower, as applicable, shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Law.

(c) Indemnification by the Borrower or any Designated Borrower. The Borrower or the applicable Designated Borrower shall indemnify the Administrative Agent and each Lender, within 30 days after demand therefor, for the full amount of any Indemnified Taxes imposed on amounts payable by the Borrower or a Designated Borrower under any Loan Document or any Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by the Administrative Agent or such Lender, as the case may be, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority; provided, that neither the Borrower nor any Designated Borrower shall be obligated to make a payment pursuant to this Section 3.01 in respect of penalties and interest attributable to or included in any Indemnified Taxes or Other Taxes (and, for the avoidance of doubt, reasonable expenses arising therefrom or with respect thereto), if (i) such penalties, interest or expenses are attributable to the failure of the Administrative Agent or any Lender to pay amounts paid to the Administrative Agent or any Lender by the Borrower or any Designated Borrower (for Indemnified Taxes or Other Taxes) to the relevant Governmental Authority within 30 calendar days after receipt of such payment from the Borrower or such Designated Borrower or (ii) such penalties, interest or expenses are attributable to the gross negligence or willful misconduct of the Administrative Agent or any Lender, as determined by a court of competent jurisdiction in a final and non-appealable judgement. A certificate as to the amount of such payment or liability delivered to the Borrower or any Designated Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error. The Borrower shall have the rights specified in Section 11.13 in respect of any Lender for whose account the Borrower or any Designated Borrower makes any payment under this Section 3.01.

(d) Evidence of Payments. As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Borrower or a Designated Borrower to a Governmental Authority, the Borrower or such Designated Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably

satisfactory to the Administrative Agent; provided that nothing in this Section 3.01(d) shall require the Borrower or such Designated Borrower to make available its tax returns.

(e) Status of Lenders. Any Foreign Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which the Borrower or a Designated Borrower is resident for tax purposes, or any treaty to which such jurisdiction is a party, with respect to payments hereunder or under any other Loan Document shall deliver to the Borrower or such Designated Borrower (with a copy to the Administrative Agent), at the time or times prescribed by applicable law or reasonably requested by the Borrower, such Designated Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable law as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if requested by the Borrower or a Designated Borrower, or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower, such Designated Borrower or the Administrative Agent as will enable the Borrower, such Designated Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Without limiting the generality of the foregoing, in the event that the Borrower or a Designated Borrower is resident for tax purposes in the United States, any Foreign Lender shall deliver to the Borrower and the Administrative Agent (in such number of copies as shall be reasonably requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent, but only if such Foreign Lender is legally entitled to do so), whichever of the following is applicable: (i) duly completed originals of Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E, as applicable, claiming eligibility for benefits of an income tax treaty to which the United States is a party, (ii) duly completed originals of Internal Revenue Service Form W-8ECI, (iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit E to the effect that such Foreign Lender is not (A) a “bank” within the meaning of section 881(c)(3)(A) of the Code, (B) a “10 percent shareholder” of the Borrower within the meaning of section 881(c)(3)(B) of the Code, or (C) a “controlled foreign corporation” described in section 881(c)(3)(C) of the Code and (y) duly completed originals of Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E, as applicable, or W-8IMY as appropriate, (iv) to the extent a Foreign Lender is not the beneficial owner, duly completed originals of Internal Revenue Service Form W-8IMY, accompanied by the applicable Internal Revenue Service forms from each beneficial owner, and (v) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States Federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or such Designated Borrower to determine the withholding or deduction required to be made. Each Lender that is a “U.S. person” as defined in Section 7701(a)(30) of the Code shall deliver to the Borrower and Administrative Agent duly complete originals of Internal Revenue Service Form W-9. Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall promptly update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

If a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower, each Designated Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 3.01(e), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(f) Treatment of Certain Refunds. If the Administrative Agent or any Lender has determined, in its sole discretion, that it has received a refund of any Taxes or Other Taxes as to which it has been indemnified by the Borrower or any Designated Borrower or with respect to which the Borrower or any Designated Borrower has paid additional amounts pursuant to this Section, it shall promptly pay to the Borrower or such Designated Borrower, as applicable, an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower or such Designated Borrower under this Section with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender, as the case maybe, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the Borrower or such Designated Borrower, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to it (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. This clause (f) shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Borrower, any Designated Borrower or any other Person.

(g) Indemnification by Lenders. Each Lender shall severally indemnify the Administrative Agent for any Taxes (but, in the case of any Indemnified Taxes, only to the extent that the Loan Parties have not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so) attributable to such Lender that are paid or payable by the Administrative Agent in connection with any Loan Document and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. The indemnity under this Section 3.01(g) shall be paid within 10 days after the Administrative Agent delivers to the applicable Lender a certificate stating the amount of Taxes so paid or payable by the Administrative Agent. Such certificate shall be conclusive of the amount so paid or payable absent manifest error.

(h) Survival. Each party's obligations under this Section 3.01 shall survive the resignation of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the payment in full of all the Obligations.

3.02 Illegality. If any Lender reasonably determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund ~~Eurocurrency Rate~~ Term Benchmark Loans ~~or RFR Loans~~, or to determine or charge interest rates based upon the ~~LIBO Rate or~~ Term SOFR, the EURIBO Rate ~~or Daily Simple SONIA~~, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, the applicable Agreed Currency in the ~~Relevant Interbank Market~~ relevant interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligation of such Lender to make or continue ~~LIBOR~~ Term Benchmark Loans ~~or EURIBOR, to make RFR Loans, as applicable,~~ or to convert ABR Loans to ~~LIBOR~~ Term SOFR Loans shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower and each applicable Designated Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), (a) prepay or, if applicable, convert all affected ~~LIBOR~~ Term SOFR Loans ~~denominated in U.S. Dollars~~ of such Lender to it to ABR Loans, and repay all affected ~~Eurocurrency Rate~~ EURIBOR Loans ~~in any other Agreed Currency~~, either on the last day of the Interest Period, therefor, if such Lender may lawfully continue to maintain such ~~Eurocurrency Rate~~ Term Benchmark Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such ~~Eurocurrency Rate~~ Term Benchmark Loans and (b) prepay any affected Daily Simple SONIA Loans. Upon any such prepayment or conversion, the Borrower and each applicable Designated Borrower shall also pay accrued interest on the amount so prepaid or converted. The Borrower shall have the rights in respect of any such Lender specified in Section 11.13.

3.03 Alternate Rate of Interest. (a) ~~If prior to the commencement of any Interest Period for a Eurocurrency Rate Borrowing;~~ Subject to Section 3.03(b), if:

- (i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining the Adjusted ~~LIBO Rate, the LIBO Rate~~ Term SOFR or the EURIBO Rate, as applicable, for the applicable currency and such Interest Period (including because the ~~applicable~~ Relevant Screen Rate is not available or published on a current basis); ~~provided that no Benchmark Transition Event shall have occurred~~ or (B) at such any time, that adequate and reasonable means do not exist for ascertaining the applicable Daily Simple RFR for the applicable currency; or
- (ii) the Administrative Agent is advised by the Required Lenders that (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, the Adjusted ~~LIBO Rate, the LIBO Rate~~ Term SOFR or the EURIBO Rate, as applicable, for the applicable currency and such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining

their Loans included in such Borrowing for the applicable currency and such Interest Period or (B) at any time, the applicable Daily Simple RFR for the applicable currency will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in any RFR Borrowing;

then the Administrative Agent shall give notice (which may be telephonic) thereof to the Borrower and the Lenders as promptly as practicable thereafter. If such notice is given, then until (x) the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist and (y) the Borrower or the applicable Designated Borrower delivers a new Committed Loan Notice in accordance with Section 2.02, (A) any Committed Loan Notice that requests the conversion of any Borrowing to, or continuation of any Borrowing as, an affected ~~Eurocurrency-Rate~~ Term Benchmark Borrowing shall be ineffective, ~~(B) any affected Eurocurrency-Rate~~ Term Benchmark Borrowing that is requested to be continued shall (1) if denominated in U.S. Dollars, be continued as an ABR Borrowing or (2) otherwise, be repaid on the last day of the then current Interest Period applicable thereto ~~and,~~ (C) any Committed Loan Notice that requests the making of any affected ~~Eurocurrency-Rate~~ Term Benchmark Borrowing shall (1) if denominated in U.S. Dollars, be deemed a request for an ABR Borrowing, or (2) otherwise, be ineffective, (D) any Committed Loan Notice that requests the making of any affected RFR Borrowing shall be ineffective and (E) any outstanding affected RFR Borrowing shall be repaid on the date of receipt by the Borrower of such notice.

(b) (i) Notwithstanding anything to the contrary herein or in any other Loan Document, ~~upon the occurrence of~~ if a Benchmark Transition Event ~~or an Early Opt-in Election, as applicable~~ has occurred, the Administrative Agent and the Borrower may amend this Agreement in a manner mutually agreeable to replace the ~~LIBO Rate or the EURIBO Rate~~ then-current Benchmark with a Benchmark Replacement. Any such amendment ~~with respect to a Benchmark Transition Event~~ will become effective at 5:00 p.m. New York City time on the fifth Business Day after the Administrative Agent has posted such proposed amendment to all Lenders and the Borrower, so long as the Administrative Agent has not received, by such time, written notice of objection to such proposed amendment from Lenders comprising the Required Lenders; provided that, in the case of Loans denominated in U.S. Dollars, with respect to any proposed amendment containing ~~any~~ Daily Simple SOFR ~~-Based Rate,~~ the Lenders shall be entitled to object only to the Benchmark Replacement Adjustment contained therein. ~~Any such amendment with respect to an Early Opt-in Election will become effective on the date that Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Lenders consent to such amendment.~~ No replacement of the ~~LIBO Rate or the EURIBO Rate~~ then-current Benchmark with a Benchmark Replacement will occur prior to the applicable Benchmark Transition Start Date.

(ii) In connection with the implementation of a Benchmark Replacement (including implementation of Term SOFR), the Administrative Agent will have the right to make, in consultation with the Borrower, Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement

Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(iii) The Administrative Agent will promptly notify the Borrower and the Lenders of (A) any occurrence of a Benchmark Transition Event ~~or an Early Opt-in Election, as applicable~~, (B) the implementation of any Benchmark Replacement, (C) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 3.03(b)(iv), (D) the effectiveness of any Benchmark Replacement Conforming Changes and ~~(D)~~ the commencement or conclusion of any Benchmark Unavailability Period.

(iv) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (A) if the then-current Benchmark is a term rate (including the Term SOFR Rate or EURIBOR Rate) and either (1) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (2) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (B) if a tenor that was removed pursuant to clause (A) above either (1) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (2) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(v) ~~(iv)~~ Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, (A) any Committed Loan Notice that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a ~~Eurocurrency Rate~~ Term Benchmark Borrowing of the applicable Type shall be ineffective and, on the last day of the then current Interest Period applicable thereto, such Borrowing shall (1) if denominated in U.S. Dollars, be continued as or converted to an ABR Borrowing or (2) otherwise, be repaid, (B) any Committed Loan Notice that requests the making of any ~~Eurocurrency Rate~~ Term Benchmark Borrowing of the applicable Type or an RFR Borrowing, shall (1) if denominated in U.S. Dollars, be deemed a request for an ABR Borrowing, or (2) otherwise, be ineffective.

(vi) ~~(v)~~ Any determination, decision or election that may be made by the Administrative Agent, the Borrower or the Lenders pursuant to this Section 3.03, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error

and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 3.03.

3.04 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender ~~(except any reserve requirement reflected in the Adjusted LIBO Rate)~~;

(ii) subject any Lender or the Administrative Agent to any Tax of any kind whatsoever on its loans, loan principal, commitments or other obligations, in each case, arising out of this Agreement, or change the basis of taxation of payments to such Lender or the Administrative Agent in respect thereof (except for Indemnified Taxes or Other Taxes covered by Section 3.01 and the imposition of, or any change in the rate of, any Excluded Tax payable by such Lender or the Administrative Agent); or

(iii) impose on any Lender, the Administrative Agent or the ~~Relevant Interbank Market~~relevant interbank market any other condition, cost or expense affecting this Agreement or Loans made by such Lender or participations therein;

and the result of any of the foregoing shall be to increase the cost to any Lender of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to reduce the amount of any sum received or receivable by such Lender or the Administrative Agent hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or the Administrative Agent, the Borrower will pay to such Lender or the Administrative Agent such additional amount or amounts as will compensate it for such additional costs incurred or reduction suffered; provided that any such amount or amounts shall not be duplicative of any amounts to the extent otherwise paid by the Borrower under any other provision of this Agreement. The Borrower shall have the rights specified in Section 11.13 in respect of any Lender for whose account the Borrower makes any payment under this Section 3.04(a).

(b) Capital and Liquidity Requirements. If any Lender determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has had or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitment of such Lender or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy or liquidity), then, from time to time upon request of such Lender, the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered. The Borrower shall have the rights

specified in Section 11.13 in respect of any Lender for whose account the Borrower makes any payment under this Section 3.04(b).

(c) Certificates for Reimbursement. A certificate of a Lender or of the Administrative Agent setting forth in reasonable detail the amount or amounts necessary to compensate such Lender or its holding company or the Administrative Agent, as the case may be, as specified in clause (a) or (b) of this Section 3.04 and delivered to the Borrower shall be conclusive absent manifest error. Such Lender shall also certify that it is generally charging such costs to similarly situated customers of the applicable Lender under agreements having provisions similar to this Section 3.04 after consideration of such factors as such Lender then reasonably determines to be relevant (which determination shall be made in good faith and not on an arbitrary or capricious basis). The Borrower shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180 day period referred to above shall be extended to include the period of retroactive effect thereof).

(e) New Lenders. Notwithstanding the foregoing provisions, no Lender shall be entitled to compensation under this Section 3.04 as a result of any Change in Law occurring prior to the date on which such Lender shall have become a party to this Agreement, except to the extent that such Lender's assignor, if any, shall have been entitled on such date to such compensation.

3.05 Compensation for Losses. Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, each of the Borrower and the applicable Designated Borrowers shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of: (a) any continuation, conversion, payment or prepayment of any ~~Eurocurrency Rate Term~~ Benchmark Loan made to it on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise); (b) any failure by it (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any ~~Eurocurrency Rate Term~~ Benchmark Loan on the date or in the amount notified by it (whether or not such notice may be withdrawn in accordance herewith); or (c) any assignment of a ~~Eurocurrency Rate Term~~ Benchmark Loan on a day other than the last day of the Interest Period therefor as a result of a request by it pursuant to Section 11.13; including any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained, but excluding any loss of anticipated profits. Each of the Borrower and the applicable Designated Borrowers shall also pay any customary administrative fees charged by such Lender in connection with the foregoing. For purposes of calculating amounts payable by the Borrower or any Designated Borrower to the Lenders under

this Section 3.05, each Lender shall be deemed to have funded each ~~Eurocurrency Rate~~Term Benchmark Loan made by it at the Adjusted ~~LIBO Rate~~Term SOFR, the ~~LIBO Rate~~Term SOFR or the EURIBO Rate, as applicable, for such Loan by a matching deposit or other borrowing ~~in the Relevant Interbank Market~~ for a comparable amount and for a comparable period, whether or not such ~~Eurocurrency Rate~~Term Benchmark Loan was in fact so funded.

3.06 Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Borrower or a Designated Borrower is required to pay (or will be required to pay) any additional amount to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if the Borrower or a Designated Borrower is required to pay (or will be required to pay) any additional amount to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 3.01, the Borrower may replace such Lender in accordance with Section 11.13.

3.07 Survival. All of the Borrower's and each Designated Borrower's obligations under this Article III shall survive the termination of the Aggregate Commitments and repayment of all Obligations hereunder.

ARTICLE IV. CONDITIONS PRECEDENT

4.01 Conditions of Closing. The obligation of each Lender to make its initial Loan hereunder shall not become effective, and the Closing Date shall not occur, until the date on which each of the following conditions is satisfied:

FRB) or to extend credit to others for the purpose of purchasing or carrying margin stock or to refund indebtedness originally incurred for such purpose, in each case in violation of, or for a purpose which violates, or would be inconsistent with, Regulation T, U or X of the FRB. The Borrower and the Designated Borrowers will not request any Borrowing, and will not use, and will instruct their Subsidiaries not to use, the proceeds of any Borrowing (a) to finance an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation by the Borrower, any Designated Borrower or any of their Subsidiaries of any Anti-Corruption Laws, (b) for the purpose of funding, financing or facilitating any activities, business or transaction by the Borrower, any Designated Borrower or any of their Subsidiaries with any Sanctioned Person or in any Sanctioned Country to the extent such activities, businesses or transaction would be prohibited by Sanctions if conducted by a corporation incorporated in the United States or (c) in any manner that would result in the violation of any Sanctions by any party hereto.

Any representation, warranty or certification made or deemed made by or on behalf of any Loan Party herein, in any other Loan Document, or in any document delivered in connection herewith or therewith (i) if not qualified by materiality, shall be incorrect in any material respect when made or deemed made, or (ii) if qualified by materiality, shall be incorrect when made or deemed made;

(e) Cross-Default. The Borrower or any Subsidiary fails to make any payment when due in respect of any Indebtedness (other than Indebtedness hereunder) having an aggregate principal amount (or with respect to any Swap Contract, a Swap Termination Value) of more than the Threshold Amount (“Specified Indebtedness”), after giving effect to any applicable grace period, or any event or condition occurs that results in any Specified Indebtedness becoming due or being terminated or required to be repurchased, prepaid, defeased or redeemed, in each case, prior to its scheduled maturity or that enable (with or without the giving of notice, but only after giving effect to any applicable grace period) the holder or holders of such Specified Indebtedness or any trustee or agent on their behalf to cause such Specified Indebtedness to become due or to be terminated or to require the repurchase, prepayment, defeasance or redemption thereof, in each case, prior to its scheduled maturity; provided that, notwithstanding the foregoing, this clause (e) shall not apply to (1) any secured Indebtedness becoming due as a result of the voluntary sale or transfer of the assets securing such Indebtedness, (2) any Indebtedness becoming due as a result of a voluntary refinancing thereof permitted hereunder, (3) any Indebtedness becoming due as a result of a voluntary (or, in the case of customary “asset sale sweeps”, “casualty/condemnation sweeps” or “excess cash flow sweeps”, mandatory) repurchase, prepayment, defeasance or redemption thereof or (4) any Indebtedness incurred in connection with an Acquisition being required to be repurchased, prepaid, defeased or redeemed pursuant to any “special mandatory redemption” as a result of such Acquisition failing to be consummated; provided further that, with respect to any Swap Contract, this clause (e) shall apply only to an event of default as to which the Borrower or any Subsidiary is the Defaulting Party or Affected Party (in each case, as defined in such Swap Contract, and when the Borrower or any Subsidiary is an Affected Party, only if the Borrower or such Subsidiary shall fail to make payment within the later to occur of five Business Days after the due date thereof and the expiration of any applicable grace periods);

(f) Inability to Pay Debts; Insolvency Proceedings, Etc. The Borrower or any Significant Subsidiary becomes unable or admits in writing its inability or fails generally to pay its debts as they become due; or the Borrower or any of its Significant Subsidiaries institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator or similar officer for it or for all or any material part of its property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator or similar officer is appointed without the application or consent of the Borrower or such Significant Subsidiary and the appointment continues undischarged or unstayed for 60 consecutive calendar days; or any proceeding under any Debtor Relief Law relating to the Borrower or any Significant Subsidiary or to all or any material part of its property is instituted without the consent of the Borrower or any Significant Subsidiary and continues undismissed or unstayed for 60 consecutive calendar days, or an order for relief is entered in any such proceeding;

(g) Judgments. There is entered against the Borrower or any Significant Subsidiary one or more final judgments or orders for the payment of money in an aggregate amount (as to all such judgments or orders) exceeding the Threshold Amount (to the extent not covered by independent third-party insurance as to which the insurer has been notified and does not dispute coverage) and (i) enforcement proceedings are commenced by any creditor upon such judgment or order, or (ii) there is a period of 60 consecutive days during which a stay of enforcement of such judgment, by reason of a pending appeal or otherwise, is not in effect;

(h) ERISA. (i) An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan which has resulted in liability of the Borrower under Title IV of ERISA to the Pension Plan, Multiemployer Plan or the PBGC in an aggregate amount in excess of the Threshold Amount, or (ii) the Borrower or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under Section 4201 of ERISA under a Multiemployer Plan which has resulted in liability of the Borrower in an aggregate amount in excess of the Threshold Amount;

(i) Invalidity of Loan Documents. Any Loan Document (other than any Subsidiary Guarantee Agreement), at any time after its execution and delivery and for any reason other than as expressly permitted hereunder (including Section 11.18 hereof) or thereunder or satisfaction in full of all the Obligations, ceases to be in full force and effect; or the Borrower or any other Loan Party contests in writing or pursuant to judicial proceedings the validity or enforceability of any Loan Document (other than as expressly provided in Section 11.18 hereof or, in the case of any Subsidiary Guarantee Agreement, as expressly provided therein); or the Borrower or any other Loan Party denies in writing or pursuant to judicial proceedings that it has any or further liability or obligation under any Loan Document, or purports to revoke, terminate or rescind any Loan Document (other than as expressly provided in Section 11.18 hereof or, in the case of any Subsidiary Guarantee Agreement, as expressly provided therein);

(j) Change of Control. There occurs any Change of Control; or

(k) Guarantee. The guarantee contained in Article X shall cease, for any reason, to be in full force and effect or the Borrower shall so assert (other than as expressly provided in Section 11.18 hereof).

8.02 Remedies Upon Event of Default. If any Event of Default occurs and is continuing, the Administrative Agent shall at the request of, or may with the consent of, the Required Lenders, by prior written notice to the Borrower (except that no such prior written notice shall be required with respect to an Event of Default pursuant to Section 8.01(f)) take any or all of the following actions:

(a) declare the Commitment of each Lender to be terminated, whereupon the Commitments shall be terminated;

(b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other

notice of any kind, all of which are hereby expressly waived by the Borrower and each Designated Borrower; or

(c) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Laws;

provided, however, that upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower or any Designated Borrower under the Bankruptcy Code of the United States or any other applicable Debtor Relief Laws, the Commitment of each Lender shall automatically terminate and the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable without presentment, demand, protest or other notice of any kind and without further act of the Administrative Agent or any Lender, all of which are hereby expressly waived by the Borrower and each Designated Borrower.

8.03 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable), any amounts received on account of the Obligations shall be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including fees, charges and disbursements of counsel to the Administrative Agent and amounts payable under Article III) payable to the Administrative Agent in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest) payable to the Lenders (including fees, charges and disbursements of counsel to the Lenders and amounts payable under Article III), ratably among them in proportion to the respective amounts described in this clause Second payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans and other Obligations, ratably among the Lenders in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans, ratably among the Lenders in proportion to the respective amounts described in this clause Fourth held by them; and

Last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Borrower or as otherwise required by Law.

ARTICLE IX. ADMINISTRATIVE AGENT

9.01 Appointment and Authority. Each of the Lenders hereby irrevocably appoints JPMorgan Chase Bank, N.A. to act as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together

with such actions and powers as are reasonably incidental thereto. The provisions of this Article (other than the Borrower's consent rights in Section 9.06) are solely for the benefit of the Administrative Agent and the Lenders, and, except for such consent rights, the Borrower and the Designated Borrowers shall not have rights as third-party beneficiaries of any of such provisions. It is understood and agreed that the use of the term "agent" herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law, and instead such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties.

9.02 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise expressly requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

9.03 Exculpatory Provisions. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Administrative Agent: (a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing; (b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable Law, including, for the avoidance of doubt, any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and (c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 8.02 and 11.01) or (ii) in the absence of its own gross negligence or willful misconduct, with such absence to be presumed unless otherwise determined by a court of competent jurisdiction by final and nonappealable judgment. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice (stating that it is a "notice of default") describing such Default is given to the Administrative Agent by the Borrower, a Designated Borrower or a Lender. The Administrative Agent shall not be responsible for or have

any duty to ascertain or inquire into (A) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (B) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (C) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (D) the sufficiency, validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or (E) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent.

9.04 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the signatory, sender or authenticator thereof). The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof), and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

9.05 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

9.06 Resignation of Administrative Agent. The Administrative Agent may at any time give notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Borrower (not to be unreasonably withheld or delayed) unless an Event of Default under Section 8.01(a), or

8.01(f) shall have occurred and be continuing, to appoint a successor, which shall be a Lender with an office in the United States, or an Affiliate of any such Lender with an office in the United States. Such successor Administrative Agent shall deliver to the Borrower duly completed Internal Revenue Service Form W-8, W-9, or other applicable Internal Revenue Service forms. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 45 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may on behalf of the Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above; provided that if the Administrative Agent shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents and

(b) except for any expense reimbursement or indemnity payments or other amounts then owed to the retiring Administrative Agent for its own account, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.06. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent (other than as provided in Section 3.01(h)) and other than any rights to expense reimbursement or indemnity payments or other amounts owed to the retiring (or retired) Administrative Agent for its own account), and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.06). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article and Section 11.04 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

9.07 Non-Reliance on Administrative Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent, any Arranger or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, any Arranger or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement or any other Loan Document.

9.08 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the Arrangers, the Syndication Agents or the Documentation Agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent or a Lender hereunder and its rights in respect of expense reimbursement and indemnities provided for

hereunder. Without limiting the foregoing, none of such Persons shall have or be deemed to have a fiduciary relationship with any Lender. The Lenders are not partners or co-venturers, and no Lender shall be liable for the acts or omissions of, or (except as otherwise set forth herein in case of the Administrative Agent) authorized to act for, any other Lender.

9.09 Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relating to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower or any Designated Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.07 and 11.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.07 and 11.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

9.10 Certain ERISA Matters. (a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and the Arrangers and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s

entrance into, participation in, administration of and performance of the Loans, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement,

(iii) (i) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (ii) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (iii) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (iv) to the best knowledge of such Lender, the requirements of clause (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent and the Arrangers in their sole discretion, and such Lender.

(b) In addition, unless either (i) the immediately preceding clause (a)(i) is true with respect to a Lender or (ii) a Lender has provided another representation, warranty and covenant in accordance with the immediately preceding clause (a)(iv), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and the Arrangers, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent and the Arrangers are not fiduciaries with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent or the Arrangers under this Agreement or any documents related hereto or thereto).

9.11 Posting of Communications. (a) The Borrower and the Designated Borrowers agree that the Administrative Agent may, but shall not be obligated to, make any Communications available to the Lenders by posting the Communications on IntraLinks™, DebtDomain, SyndTrak, ClearPar or any other electronic platform chosen by the Administrative Agent to be its electronic transmission system (the "Approved Electronic Platform").

(b) Although the Approved Electronic Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Closing Date, a user ID/password authorization system) and the Approved Electronic Platform is secured through a per-deal authorization method whereby each user may access the Approved Electronic Platform only on a deal-by-deal basis, each of the Lenders, the Borrower and the Designated Borrowers acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of any Lender that are added to the Approved Electronic Platform, and that there may be confidentiality and other risks associated with such distribution. Each of the Lenders, the Borrower and the Designated Borrowers hereby approves distribution of the Communications through the Approved Electronic Platform and understands and assumes the risks of such distribution.

(c) THE APPROVED ELECTRONIC PLATFORM AND THE COMMUNICATIONS ARE PROVIDED "AS IS" AND "AS AVAILABLE". THE APPLICABLE PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS, OR THE ADEQUACY OF THE APPROVED ELECTRONIC PLATFORM AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE APPROVED ELECTRONIC PLATFORM AND THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE APPLICABLE PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE APPROVED ELECTRONIC PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT, ANY ARRANGER, ANY DOCUMENTATION AGENT, ANY SYNDICATION AGENT OR ANY OF THEIR RESPECTIVE RELATED PARTIES (COLLECTIVELY, "APPLICABLE PARTIES") HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF ANY LOAN PARTY'S OR THE ADMINISTRATIVE AGENT'S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET OR THE APPROVED ELECTRONIC PLATFORM.

(d) Each Lender agrees that notice to it (as provided in the next sentence) specifying that Communications have been posted to the Approved Electronic Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender agrees (i) to notify the Administrative Agent in writing (which could be in the form of electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such e-mail address.

(e) Each of the Lenders, the Borrower and the Designated Borrowers agrees that the Administrative Agent may, but (except as may be required by applicable Law) shall not be

obligated to, store the Communications on the Approved Electronic Platform in accordance with the Administrative Agent's generally applicable document retention procedures and policies.

(f) Nothing herein shall prejudice the right of the Administrative Agent or any Lender to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

ARTICLE X. GUARANTY

10.01 Guarantee. In order to induce the Administrative Agent and the Lenders to execute and deliver this Agreement and to make or maintain the Loans, and in consideration thereof, the Borrower hereby unconditionally and irrevocably guarantees, as primary obligor and not merely as surety, the prompt and complete payment and performance by each Designated Borrower when due (whether at stated maturity, by acceleration or otherwise) of the Obligations of such Designated Borrower. In furtherance of the foregoing, the Borrower hereby further agrees that if any of the Obligations of any Designated Borrower are not paid in full when due (whether at stated maturity, by acceleration or otherwise), the Borrower will promptly pay the same, without any demand or notice whatsoever. The guarantee contained in this Article X, subject to Section 10.05, shall remain in full force and effect until the Obligations of each Designated Borrower are paid in full and the Commitments are terminated, notwithstanding that from time to time prior thereto such Designated Borrower may be free from any Obligations.

The Borrower agrees that whenever, at any time, or from time to time, it shall make any payment to the Administrative Agent or any Lender on account of its liability under this Article X, it will notify the Administrative Agent and such Lender in writing that such payment is made under the guarantee contained in this Article X for such purpose. No payment or payments made by any Designated Borrower or any other Person or received or collected by the Administrative Agent or any Lender from any Designated Borrower or any other Person by virtue of any action or proceeding or any setoff or appropriation or application, at any time or from time to time, in reduction of or in payment of the Obligations of such Designated Borrower shall be deemed to modify, reduce, release or otherwise affect the liability of the Borrower under this Article X, which, notwithstanding any such payment or payments, shall remain liable for the unpaid and outstanding Obligations of such Designated Borrower until, subject to Section 10.05, the Obligations of such Designated Borrower are paid in full and the Commitments are terminated.

10.02 No Subrogation. Notwithstanding any payment made by the Borrower pursuant to this Article X or any set-off or application of funds of the Borrower by the Administrative Agent or any Lender in connection with the guarantee contained in this Article X, the Borrower shall not be entitled to be subrogated to any of the rights of the Administrative Agent or any Lender against any Designated Borrower or any collateral security or guarantee or right of offset held by the Administrative Agent or any Lender for the payment of the Obligations of such Designated Borrower, nor shall the Borrower seek or be entitled to seek any contribution or reimbursement from such Designated Borrower in respect of payments made by the Borrower under this Article X, until all amounts owing to the Administrative Agent and the Lenders on account of the Obligations of such Designated Borrower are paid in full and the Commitments are terminated. If any amount shall be paid to the Borrower on account of such subrogation rights at any time when all of the Obligations of each Designated Borrower shall not have been

paid in full or the Commitments shall not have terminated, such amount shall be held by the Borrower in trust for the Administrative Agent and the Lenders, segregated from other funds of the Borrower, and shall, forthwith upon receipt by the Borrower, be turned over to the Administrative Agent in the exact form received by the Borrower (duly indorsed by the Borrower to the Administrative Agent, if required), to be applied against the Obligations of such Designated Borrower, whether matured or unmatured, in such order as the Administrative Agent may determine. The provisions of this Section 10.02 shall survive the term of the guarantee contained in this Article X and the payment in full of the Obligations and the termination of the Commitments.

10.03 Amendments, etc. with respect to the Obligations of each Designated Borrower. The Borrower shall remain obligated under this Article X notwithstanding that, without any reservation of rights against the Borrower, and without notice to or further assent by the Borrower, any demand for payment of or reduction in the principal amount of any of the Obligations of any Designated Borrower made by the Administrative Agent or any Lender may be rescinded by the Administrative Agent or such Lender, and any of the Obligations of such Designated Borrower continued, and the Obligations of such Designated Borrower, or the liability of any other party upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Administrative Agent or any Lender, and this Agreement and any other documents executed and delivered in connection herewith may be amended, modified, supplemented or terminated, in whole or in part, as the Lenders (or the Required Lenders, as the case may be) may deem advisable from time to time, and any collateral security, guarantee or right of offset at any time held by the Administrative Agent or any Lender for the payment of the Obligations of such Designated Borrower may be sold, exchanged, waived, surrendered or released. Neither the Administrative Agent nor any Lender shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Obligations of any Designated Borrower or for the guarantee contained in this Article X or any property subject thereto.

10.04 Guarantee Absolute and Unconditional. The Borrower waives any and all notice of the creation, renewal, extension or accrual of any of the Obligations of each Designated Borrower and notice of or proof of reliance by the Administrative Agent or any Lender upon the guarantee contained in this Article X or acceptance of the guarantee contained in this Article X; the Obligations of each Designated Borrower, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the guarantee contained in this Article X; and all dealings between the Borrower or any Designated Borrower, on the one hand, and the Administrative Agent and the Lenders, on the other, shall likewise be conclusively presumed to have been had or consummated in reliance upon the guarantee contained in this Article X. The Borrower waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon the Borrower or any Designated Borrower with respect to the Obligations of such Designated Borrower. To the full extent permitted by law, the guarantee contained in this Article X shall be construed as a continuing, absolute and unconditional guarantee of payment without regard to (a) the validity or enforceability of this Agreement, any of the Obligations of any Designated Borrower or any collateral security therefor or guarantee or right of offset with respect thereto at any time or from

time to time held by the Administrative Agent or any Lender, (b) the legality under applicable Laws of repayment by any Designated Borrower of the Obligations of such Designated Borrower or the adoption of any requirement of law purporting to render any Obligations of such Designated Borrower null and void, (c) any defense, setoff or counterclaim (other than a defense of payment or performance by a Designated Borrower) which may at any time be available to or be asserted by the Borrower against the Administrative Agent or any Lender, (d) any change in ownership of any Designated Borrower, any merger or consolidation of any Designated Borrower into another Person or any loss of any Designated Borrower's separate legal identity or existence, or (e) any other circumstance whatsoever (with or without notice to or knowledge of the Borrower or any Designated Borrower) which constitutes, or might be construed to constitute, an equitable or legal discharge of any Designated Borrower for any Obligations of such Designated Borrower, or of the Borrower under the guarantee contained in this Article X in bankruptcy or in any other instance. When the Administrative Agent or any Lender is pursuing its rights and remedies under this Article X against the Borrower, the Administrative Agent or any Lender may, but shall be under no obligation to, pursue such rights and remedies as it may have against any Designated Borrower or any other Person or against any collateral security or guarantee for the Obligations of such Designated Borrower or any right of offset with respect thereto, and any failure by the Administrative Agent or any Lender to pursue such other rights or remedies or to collect any payments from any Designated Borrower or any such other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of any Designated Borrower or any such other Person or of any such collateral security, guarantee or right of offset, shall not relieve the Borrower of any liability under this Article X and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Administrative Agent and the Lenders against the Borrower.

10.05 Reinstatement. The guarantee contained in this Article X shall continue to be effective, or be automatically reinstated without further action, as the case may be, if at any time payment, or any part thereof, of any of the Obligations of any Designated Borrower is rescinded or must otherwise be restored or returned by the Administrative Agent or any Lender upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of such Designated Borrower or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, such Designated Borrower or any substantial part of its property, or otherwise, all as though such payments had not been made.

10.06 Payments. The Borrower hereby agrees that any payments in respect of the Obligations of any Designated Borrower pursuant to this Article X will be paid to the Administrative Agent without setoff or counterclaim in the currencies in which such Obligations are denominated (or, if no currency is specified herein, in U.S. Dollars), at the Administrative Agent's Office.

10.07 Independent Obligations. The obligations of the Borrower under the guarantee contained in Article X are independent of the obligations of each Designated Borrower, and a separate action or actions may be brought and prosecuted against the Borrower whether or not such Designated Borrower be joined in any such action or actions. The Borrower waives, to the full extent permitted by law, the benefit of any statute of limitations affecting its liability hereunder or the enforcement thereof. Any payment by a Designated Borrower or other

circumstance which operates to toll any statute of limitations as to such Designated Borrower shall operate to toll the statute of limitations as to the Borrower.

ARTICLE XI. MISCELLANEOUS

11.01 Amendments, Etc. No amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by any Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (or the Administrative Agent with the consent of the Required Lenders), the Borrower and each Designated Borrower (or, in the case of any Loan Document other than this Agreement, by each Loan Party that is a party thereto), and acknowledged by the Administrative Agent, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such amendment, waiver or consent shall:

- (a) waive any condition set forth in Section 4.03 without the written consent of each Lender;
- (b) extend or increase the Commitment of any Lender (or reinstate any Commitment terminated pursuant to Section 8.02), or change the currencies in which Loans thereunder may be denominated in, without the written consent of such Lender;
- (c) postpone any scheduled date fixed by this Agreement or any other Loan Document for any payment of principal, interest or fees due to any Lender hereunder or under any other Loan Document without the written consent of such Lender;
- (d) reduce the principal of, or the rate of interest specified herein on, any Loan of any Lender or any fees payable to any Lender hereunder or under any other Loan Document without the written consent of such Lender; provided, however, that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrower or any Designated Borrower to pay interest at the Default Rate;
- (e) change Section 2.11 or Section 8.03 in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender directly affected thereby;
- (f) release the guaranty contained in Article X with respect to any Designated Borrower prior to termination of such Subsidiary's designation as a Designated Borrower in accordance with Section 11.18 without the consent of each Lender; or
- (g) change any provision of this Section 11.01 or the percentage set forth in definition of "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder without the written consent of each Lender;

provided further, that no such amendment, waiver or consent shall amend, modify or otherwise affect the rights or duties of the Administrative Agent under this Agreement or any other Loan

Document without the prior written consent of the Administrative Agent, in addition to the Lenders required above.

Notwithstanding anything to the contrary herein:

(i) this Agreement may be amended in the manner provided in Sections 2.12, 2.13, 3.03(b) and 4.03(e);

(ii) no consent with respect to any amendment, waiver or consent under this Agreement or any other Loan Document shall be required of any Defaulting Lender, except with respect to any amendment, waiver or consent referred to in clause (b), (c) or

(d) above and then only in the event such Defaulting Lender shall be directly and adversely affected by such amendment, waiver or consent; and

(iii) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent to cure any ambiguity, omission, defect or inconsistency so long as, in each case, the Lenders shall have received at least five Business Days' prior written notice thereof and the Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment.

11.02 Notices; Effectiveness; Electronic Communication.

(a) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and subject to Section 11.02(b)), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by fax or e-mail, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows: (i) if to the Borrower, any Designated Borrower or the Administrative Agent, to the address, fax number, e-mail address or telephone number specified for such Person on Schedule 11.02 or in the Joinder Agreement applicable thereto; provided that the Borrower and each Designated Borrower shall be notified by e-mail of any notice sent by fax; and (ii) if to any other Lender, to the address, fax number, e-mail address or telephone number specified in its Administrative Questionnaire. Notices or other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices or other communications sent by fax shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, any such notice shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices or other communications delivered through electronic communications, to the extent provided in Section 11.2(b) below, shall be effective as provided in Section 11.2(b).

(b) Electronic Communications. Notices and other communications to the Lenders hereunder may be delivered or furnished by Approved Electronic Platforms pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent

that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent, the Borrower or any Designated Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it (or in the case of any Designated Borrower, the Borrower), provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Approved Electronic Platform shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii), if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice, email or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(c) Change of Address, Etc. Each of the Borrower and the Designated Borrowers may change its address, fax or telephone number or e-mail address for notices and other communications hereunder by notice to the Administrative Agent. The Administrative Agent may change its address, fax or telephone number or e-mail address for notices and other communications hereunder by notice to the other parties hereto. Each Lender may change its address, fax or telephone number or e-mail address for notices and other communications hereunder by notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, fax number and e-mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(d) Reliance by Administrative Agent and Lenders. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of any Loan Party even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

(e) Deemed Notices to Designated Borrowers. Any notice given under this Section 11.02 to the Borrower shall also be deemed notice to any Designated Borrower, and the Borrower shall be entitled to give any notice on behalf of any Designated Borrower.

11.03 No Waiver; Cumulative Remedies. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder or under any other Loan Document preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges provided hereunder and under the other Loan Documents are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by Section 11.01, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. Without limiting the generality of the foregoing, the execution and delivery of this Agreement or the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent or any Lender may have had notice or knowledge of such Default at the time.

11.04 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Borrower shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent and the Arrangers (including the reasonable and documented fees, charges and disbursements of a single firm of counsel for the Administrative Agent and the Arrangers), in connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated) and (ii) all out-of-pocket expenses incurred by the Administrative Agent, any Arranger, any Syndication Agent, any Documentation Agent or any Lender (including the reasonable and documented fees, charges and disbursements of a single firm of counsel for the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents and the Lenders and a single firm of local counsel in each non-U.S. jurisdiction of organization of any Loan Party but only so long as such jurisdiction is different from the jurisdiction of organization of such Loan Party (such jurisdiction, the “Applicable Jurisdiction”) (and, in the case of an actual or perceived conflict of interest where the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents and/or the Lenders affected by such conflict has retained its own counsel, of another law firm acting as counsel for such Person and another firm of local counsel in each Applicable Jurisdiction)) in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Loan Documents, including its rights under this Section 11.04, or (B) in connection with the Loans made hereunder, including all such reasonable and documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans.

(b) Indemnification by the Borrower. The Borrower shall indemnify the Administrative Agent (and any sub-agent thereof), the Arrangers, the Syndication Agents, the Documentation Agents, each Lender and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnatee”) against, and hold each Indemnatee harmless from, any and all losses, claims, damages, penalties, liabilities and related expenses (including the reasonable and documented fees, charges and disbursements of one firm of counsel for the

Indemnitees and one firm of local counsel for the Indemnitees in each Applicable Jurisdiction (and, in the case of an actual or perceived conflict of interest where the Indemnitees affected by such conflict have retained their own counsel, of another law firm acting as counsel for such Indemnitees and another local counsel in each Applicable Jurisdiction)) incurred by any Indemnatee or asserted against any Indemnatee by any third party or by any Loan Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder, the consummation of the transactions contemplated hereby or thereby, or, in the case of the Administrative Agent (and any sub-agent thereof) and its Related Parties only, the administration of this Agreement and the other Loan Documents, (ii) any Loan or the use or proposed use of the proceeds therefrom and (iii) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or any Loan Party, its equity holders, Affiliates or creditors, and regardless of whether any Indemnatee is a party thereto; provided that such indemnity shall not, as to any Indemnatee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) result from the gross negligence or willful misconduct of such Indemnatee as determined by a court of competent jurisdiction in a final non-appealable judgment or (y) result from a claim brought by any Loan Party against an Indemnatee for a material breach of such Indemnatee's agreements hereunder or under any other Loan Document, if such Loan Party has obtained a final non-appealable judgment in its favor on such claim as determined by a court of competent jurisdiction.

(c) ————— Reimbursement by Lenders. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under clause (a) or (b) of this Section 11.04 to be paid by it to the Administrative Agent (or any sub-agent thereof) or any of its Related Parties, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this clause (c) are subject to the provisions of Section 2.10(e).

(d) ————— Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, the Borrower and each Designated Borrower shall not assert, and hereby waives, any claim against any Indemnatee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof. No Indemnatee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed to such unintended recipients by such Indemnatee through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby other than for direct or actual damages resulting

from the gross negligence or willful misconduct of such Indemnitee as determined by a court of competent jurisdiction in a final non-appealable judgment.

(e) Payments. All amounts due under this Section 11.04 shall be payable not later than 30 days after demand therefor.

(f) Survival. The agreements in this Section 11.04 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Commitments and the payment in full of the Obligations.

11.05 Payments Set Aside. To the extent that any payment by or on behalf of the Borrower or any Designated Borrower is made to the Administrative Agent or any Lender, or the Administrative Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then

(a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation (or, if such payment is in U.S. Dollars, if greater, the NYFRB Rate), plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing. The obligations of the Lenders under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of the Commitments.

11.06 Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement and the other Loan Documents shall be binding upon and inure to the benefit of the parties hereto and thereto and their respective successors and assigns permitted hereby or thereby, except that neither the Borrower nor any Designated Borrower, except as expressly provided in Section 7.03, may assign or otherwise transfer any of its rights or obligations hereunder or under any other Loan Document without the prior written consent of the Administrative Agent and each Lender (and any attempted assignment or transfer by the Borrower or any Designated Borrower without such consent shall be null and void) and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of clause (b) of this Section 11.06, (ii) by way of participation in accordance with the provisions of clause (d) of this Section 11.06, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of clause (f) of this Section 11.06 (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, the Arrangers, the Syndication Agents, the Documentation Agents, their respective successors and assigns permitted hereby, Participants to the extent provided in clause (d) of this Section 11.06

and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts. (A) In the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and (B) in any case not described in clause (b)(i)(A) of this Section 11.06, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the Commitment is not then in effect, the principal outstanding amount of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than US\$10,000,000 unless each of the Administrative Agent and, so long as no Event of Default under Section 8.01(a) or 8.01(f) has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed); provided that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 10 Business Days after having received notice thereof; provided, further, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single assignee (or to an assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met.

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned;

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by clause (b)(i)(B) of this Section 11.06 and, in addition: (A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default under Section 8.01(a) or 8.01(f) has occurred and is continuing at the time of such assignment or (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; provided that the Borrower shall be deemed to have consented to any such assignment (other than any such assignment to a Disqualified Institution, unless the Borrower otherwise agrees in writing in its sole discretion) unless it shall object thereto by written notice to the Administrative Agent within 10 Business Days after having received notice thereof; and (B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee in the amount of US\$3,500; provided, however, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(v) No Assignment to Borrower. No such assignment shall be made to the Borrower or any of the Borrower's Affiliates or Subsidiaries.

(vi) No Assignment to Natural Persons. No such assignment shall be made to a natural person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of a natural person).

(vii) No Assignment to Defaulting Lenders. No such assignment shall be made to a Defaulting Lender.

(viii) No Assignment to Disqualified Institutions. No such assignment shall be made to a Disqualified Institution without the prior written consent of the Borrower.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to clause (c) of this Section 11.06, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Section 3.01, with respect to payments by or on account of any obligation of the Borrower or any Designated Borrower hereunder or under any other Loan Document, and the benefits of Sections 3.04, 3.05, and 11.04 with respect to facts and circumstances, in each case, occurring prior to the effective date of such assignment. Upon request, the Borrower or a Designated Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (d) of this Section 11.06.

(c) Register. The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower and the Designated Borrowers, shall maintain at one of its offices located in the United States a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Designated Borrowers, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the

contrary. The Register shall be available for inspection by the Borrower and, as to entries pertaining to it, any Lender at any reasonable time and from time to time upon reasonable prior notice.

(d) Participations. Any Lender may at any time sell participations to any Person (other than a natural person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of a natural person) or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Designated Borrowers, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 11.01 that affects such Participant. Subject to clause (e) of this Section 11.06, each of the Borrower and the Designated Borrowers agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 11.06. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.08 as though it were a Lender; provided such Participant agrees to be subject to Section 2.11 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower and the Designated Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Commitments, Loans or other obligations under this Agreement (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01 or 3.04 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 3.01 unless the Borrower is notified of the participation sold to such Participant and

such Participant agrees, for the benefit of the Borrower and any Designated Borrower, to comply with Section 3.01(e) as though it were a Lender.

(f) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

11.07 Treatment of Certain Information; Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it or any of its Affiliates (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) in any legal, judicial or administrative proceeding or in accordance with a judicial or other governmental order, subpoena, interrogatory, discovery request, investigative demand or other legal process or as required by applicable law or regulation (in which case the Administrative Agent or such Lender shall promptly notify the Borrower in writing, in advance, and give the Borrower the opportunity to seek confidential treatment of the information prior to such disclosure, to the extent permitted by law), (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section 11.07, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or other derivative transaction relating to the Borrower, any Subsidiary and any of their obligations, or any credit insurance provider relating to the Borrower, any Subsidiary and any of their obligations, (g) with the consent of the Borrower, (h) to rating agencies or, on a confidential basis, to the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the Loans or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section 11.07 or (y) becomes available to the Administrative Agent, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrower or any Subsidiary.

For purposes of this Section 11.07, "Information" means all information received from the Borrower or any Subsidiary relating to the Borrower or any Subsidiary or any of their respective businesses, other than (i) any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower or any Subsidiary and (ii) information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry, provided that, in the case of information received from the Borrower or any Subsidiary after the date hereof, such information is clearly identified at the time of delivery as confidential or should,

because of its nature, reasonably be understood to be confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 11.07 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Administrative Agent and each Lender acknowledges that (a) the Information may include MNPI, (b) it has developed compliance procedures regarding the use of MNPI and (c) it will handle MNPI in accordance with applicable Law, including Federal and state securities Laws.

11.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender to or for the credit or the account of the Borrower or any Designated Borrower against any and all of the obligations of the Borrower or any Designated Borrower now or hereafter existing under this Agreement or any other Loan Document to such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower or any Designated Borrower may be contingent or unmatured or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Lender under this Section 11.08 are in addition to other rights and remedies (including other rights of setoff) that such Lender may have. Each Lender agrees to notify the Borrower and, if applicable, such Designated Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application. Notwithstanding the foregoing, if any Defaulting Lender shall exercise any such right of setoff, (a) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of this Agreement and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders and (b) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the obligations owing to such Defaulting Lender as to which it exercised such right of set off.

11.09 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts that are treated as interest on such Loan under applicable law (collectively the “Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) that may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section 11.09 shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together

with interest thereon at the NYFRB Rate to the date of repayment, shall have been received by such Lender.

11.10 Counterparts; Integration; Effectiveness; Electronic Execution. (a) This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof (but do not supersede any provisions of any commitment letter or any related fee letter that do not by the terms of such documents terminate upon the effectiveness of this Agreement, all of which provisions shall remain in full force and effect). Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by fax or e-mail shall be effective as delivery of a manually executed counterpart of this Agreement.

(b) Delivery of an executed counterpart of a signature page of this Agreement or any other Loan Document by facsimile, emailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement or such other Loan Document. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to any document to be signed in connection with this Agreement or any other Loan Document and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that nothing herein shall require the Administrative Agent to accept electronic signatures in any form or format without its prior written consent. Without limiting the generality of the foregoing, each of the parties hereto hereby (i) agrees that, for all purposes, including in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders and the Loan Parties, electronic images of this Agreement or any other Loan Documents (in each case, including with respect to any signature pages thereto) shall have the same legal effect, validity and enforceability as any paper original, and (ii) waives any argument, defense or right to contest the validity or enforceability of the Loan Documents based solely on the lack of paper original copies of any Loan Documents, including with respect to any signature pages thereto.

11.11 Survival. All covenants, agreements, representations and warranties made by the Borrower and each Designated Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans, regardless of any investigation made by any such other

party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other Obligation (other than contingent indemnification obligations for which no claim or demand has been made) payable under this Agreement is outstanding and unpaid and so long as the Commitments have not expired or terminated.

11.12 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

11.13 Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if the Borrower or any Designated Borrower is required to pay (or will be required to pay) any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 or if any Lender determines pursuant to Section 3.02 that it is not permitted to make ~~Eurocurrency Rate~~ Term Benchmark Loans or RFR Loans, or if any Lender is a Defaulting Lender or a Disqualified Institution, or if any Lender declines to approve any waiver, amendment or modification of this Agreement or any Loan Document that requires approval of all Lenders pursuant to Section 11.01 and has been approved by Lenders constituting the Required Lenders, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.06), all of its interests, rights (other than its existing rights to payments pursuant to Sections 3.01 and 3.04) and obligations under this Agreement and the related Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that: (a) the Borrower or the applicable assignee shall have paid to the Administrative Agent the assignment fee specified in Section 11.06(b); (b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower or the applicable Designated Borrower (in the case of all other amounts); (c) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter; and (d) such assignment does not conflict with applicable Laws. A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

11.14 Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) SUBMISSION TO JURISDICTION. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE JURISDICTION OF ANY U.S. FEDERAL OR NEW YORK STATE COURT SITTING IN THE BOROUGH OF MANHATTAN, IN THE CITY OF NEW YORK (OR ANY APPELLATE COURT THEREFROM) OVER ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND, SUBJECT TO THE PENULTIMATE AND FINAL SENTENCES OF THIS CLAUSE (b), EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH SUIT, ACTION OR PROCEEDING SHALL BE HEARD AND DETERMINED EXCLUSIVELY IN SUCH U.S. FEDERAL COURT OR, IF SUCH COURT SHALL NOT HAVE SUBJECT MATTER JURISDICTION, SUCH NEW YORK STATE COURT. EACH PARTY HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH SUIT, ACTION OR PROCEEDING MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY APPLICABLE LAW. IN THE CASE OF ANY DESIGNATED BORROWER THAT IS NOT ORGANIZED UNDER THE LAWS OF THE UNITED STATES, ANY STATE THEREOF OR THE DISTRICT OF COLUMBIA, NOTHING IN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT OR ANY LENDER MAY OTHERWISE HAVE TO BRING ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST SUCH DESIGNATED BORROWER OR ANY OF ITS PROPERTIES IN THE COURTS OF THE JURISDICTION OF ORGANIZATION OF SUCH DESIGNATED BORROWER.

(c) WAIVER OF VENUE. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 11.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

(e) PROCESS AGENT. EACH DESIGNATED BORROWER HEREBY IRREVOCABLY DESIGNATES, APPOINTS AND EMPOWERS THE BORROWER, AND

THE BORROWER HEREBY ACCEPTS SUCH APPOINTMENT, AS ITS DESIGNEE, APPOINTEE AND AGENT TO RECEIVE, ACCEPT AND ACKNOWLEDGE FOR AND ON ITS BEHALF, AND IN RESPECT OF ITS PROPERTY, SERVICE OF ANY AND ALL LEGAL PROCESS, SUMMONS, NOTICES AND DOCUMENTS THAT MAY BE SERVED IN ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT. SUCH SERVICE MAY BE MADE BY MAILING OR DELIVERING A COPY OF SUCH PROCESS TO SUCH DESIGNATED BORROWER IN CARE OF THE BORROWER AT THE BORROWER'S ADDRESS USED FOR PURPOSES OF GIVING NOTICES UNDER SECTION 11.02, AND EACH DESIGNATED BORROWER HEREBY IRREVOCABLY AUTHORIZES AND DIRECTS THE BORROWER TO ACCEPT SUCH SERVICE ON ITS BEHALF.

(f) NO IMMUNITY. IN THE EVENT ANY DESIGNATED BORROWER OR ANY OF ITS ASSETS HAS OR HEREAFTER ACQUIRES, IN ANY JURISDICTION IN WHICH JUDICIAL PROCEEDINGS MAY AT ANY TIME BE COMMENCED WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, ANY IMMUNITY FROM JURISDICTION, LEGAL PROCEEDINGS, ATTACHMENT (WHETHER BEFORE OR AFTER JUDGMENT), EXECUTION, JUDGMENT OR SETOFF, SUCH DESIGNATED BORROWER HEREBY IRREVOCABLY AGREES NOT TO CLAIM AND HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES SUCH IMMUNITY.

11.15 Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

11.16 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby, each of the Loan Parties acknowledges and agrees that: (a) the credit facility provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document) are an arm's-length commercial transaction between the Borrower and its Affiliates, on the one hand, and the Administrative Agent, the Lenders and the Arrangers, on the other hand, and each of the Loan Parties is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents (including any amendment, waiver or other modification hereof or thereof); (b) in connection with the process leading to such transaction, each of the Administrative Agent, the Syndication Agents, the Documentation Agents, the Arrangers and the

Lenders is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary, for the Borrower or any of its Affiliates, stockholders, creditors or employees or any other Person; (c) none of the Administrative Agent, any Syndication Agent, any Documentation Agent, any Arranger or any Lender has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Borrower or any of its Affiliates with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Loan Document (irrespective of whether the Administrative Agent, the Syndication Agents, the Documentation Agents, the Arrangers or the Lenders have advised or are currently advising the Borrower or any of its Affiliates on other matters) and none of the Administrative Agent, any Syndication Agent, any Documentation Agent, any Arranger or any Lender has any obligation to the Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; (d) the Administrative Agent, the Syndication Agents, the Documentation Agents, the Arrangers and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and none of the Administrative Agent, any Syndication Agent, any Documentation Agent, any Arranger or any Lender has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (e) the Administrative Agent, the Syndication Agents, the Documentation Agents, the Arrangers and the Lenders have not provided and will not provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Loan Document) and each of the Loan Parties has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate. Each of the Loan Parties agrees that it will not assert any claim against any of the Administrative Agent, the Syndication Agents, the Documentation Agents, the Arrangers or the Lenders or any of their respective Affiliates on the basis of any alleged breach of agency or fiduciary duty in connection with this Agreement, any other Loan Document or the transactions contemplated hereby or thereby.

11.17 Certain Notices. Each Lender that is subject to the Patriot Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Patriot Act”) and/or the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies the Loan Parties, which information includes the name and address of the Loan Parties and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Loan Parties in accordance with the Patriot Act and the Beneficial Ownership Regulation.

11.18 Termination of Joinder Agreements. Following written notice from the Borrower to the Administrative Agent that it wishes to terminate any Subsidiary’s designation as a Designated Borrower and upon payment in full of all Obligations of such Designated Borrower, any Joinder Agreement entered by such Designated Borrower with respect to this Agreement shall be deemed to have been terminated, and all guaranty obligations of the Borrower under Article X in respect of such Designated Borrower shall be terminated as of the date of the termination of such Joinder Agreement but subject to Section 10.05.

11.19 Termination of Existing Credit Agreement. On the Closing Date, the “Aggregate Commitments” under and as defined in the Existing Credit Agreement shall be terminated pursuant to Section 2.04 thereof. The undersigned Lenders, constituting at least the “Required Lenders” under and as defined in the Existing Credit Agreement, waive the notice required under such Section 2.04 for such termination.

11.20 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.
